3. When the court has, after a hearing for any full order of protection, issued an order of protection, it may, in addition:

(1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;

5. In making an award of custody, the court shall consider all relevant factors including the presumption that the best interests of the child will be served by placing the child in the custody and care of the nonabusive parent, unless there is evidence that both parents have engaged in abusive behavior, in which case the court shall not consider this presumption but may appoint a guardian ad litem or a court-appointed special advocate to represent the children in accordance with chapter 452 and shall consider all other factors in accordance with chapter 452.

6. The court shall grant to the noncustodial parent rights to visitation with any minor child born to or adopted by the parties, unless the court finds, after hearing, that visitation would endanger the child's physical health, impair the child's emotional development or would otherwise conflict with the best interests of the child, or that no visitation can be arranged which would sufficiently protect the custodial parent from further domestic violence. The court may appoint a guardian ad litem or court-appointed special advocate to represent the minor child in accordance with chapter 452 whenever the custodial parent alleges that visitation with the noncustodial parent will damage the minor child.

7. The court shall make an order requiring the noncustodial party to pay an amount reasonable and necessary for the support of any child to whom the party owes a duty of support when no prior order of support is outstanding and after all relevant factors have been considered, in accordance with Missouri supreme court rule 88.01 and chapter 452.

The court shall ensure that the contact information of the petitioner is not provided to the accountholder in proceedings held under this chapter.

(b) Upon issuance, a copy of the full order of protection shall be transmitted, either electronically or by certified mail, to the wireless service provider's registered agent listed with the secretary of state, or electronically to the email address provided by the wireless service provider. Such transmittal shall constitute adequate notice for the wireless service provider acting under this section and section 455.523.

(c) If the wireless service provider cannot operationally or technically effectuate the order due to certain circumstances, the wireless service provider shall notify the petitioner within three business days. Such circumstances shall include, but not be limited to, the following:

The division shall submit a written investigative report to the court and to the juvenile officer within thirty days of being ordered to do so. The report shall be made available to the parties and the guardian ad litem or court-appointed special advocate.

4. If the allegations in the petition would give rise to jurisdiction under section 211.031 because the respondent is less than seventeen years of age, the court may issue an ex parte order and shall transfer the case to juvenile court for a hearing on a full order of protection. Service of process shall be made pursuant to section 455.035.

455.520. 1. Any ex parte order of protection granted under sections 455.500 to 455.538 shall be to protect the victim from domestic violence, **including danger to the child's pet**, stalking, or sexual assault and may include such terms as the court reasonably deems necessary to ensure the victim's safety, including but not limited to:

(3) A remaining adult family or household member is able to care adequately for the child or children in the absence of the excluded party.

455.523. 1. Any full order of protection granted under sections 455.500 to 455.538 shall be to protect the victim from domestic violence, **including danger to the child's pet**, stalking, and sexual assault may include such terms as the court reasonably deems necessary to ensure the petitioner's safety, including but not limited to:

(2) Award visitation;

(3) Award child support in accordance with supreme court rule 88.01 and chapter 452;

(4) Award maintenance to petitioner when petitioner and respondent are lawfully married in accordance with chapter 452;

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

FORTY-SEVENTH DAY, THURSDAY, APRIL 1, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Thou will keep him in perfect peace, whose mind is stayed on Thee: because he trusteth in Thee. (Isaiah 26:3)

O God, our Light, who is the creator of the world, the sustainer of life everywhere, and the companion along our way, touch our lives with humility as we come to You in this our morning prayer. Facing the tasks of this new day, we pray for wisdom to make wise choices, for strength to stand firm for what is good and just for all citizens, and for courage to walk confidently in the way of Your commandments of love.

We do not pray for release from heavy burdens, but for renewed strength to carry them; not for an escape from many problems, but for an increased power to meet them and to solve them; not for less work, but for greater faith to do our work without worry or fear under this dome, and for safety during Easter break.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Hudson Rivera, Colton Rivera, Levi LaVo, and Kennedy LaVo.

The Journal of the forty-sixth day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

THIRTY-NINTH DAY, MONDAY, MARCH 22, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Steve Butz.

Dear Heavenly Father, we thank You for this new day and the promise of springtime, which reminds us of Your never-ending love, most especially as we look forward to Holy Week and Easter Sunday.

Look kindly upon us, Your servants, this afternoon as we get back to our work here in this chamber.

We ask that You keep our hearts, minds, and wills focused on what is in the best interest of Your people as we endeavor to serve our fellow citizens.

Never let us lose sight of those less fortunate.

Grant, we pray, the ability to lead with a true servant's heart.

Forgive us our sins, as we forgive those who sin against us.

In Jesus' name.

May the House say "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-eighth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

FORTIETH DAY, TUESDAY, MARCH 23, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Eternal God is thy refuge, and underneath are the everlasting arms. (Deuteronomy 33:27)

O Eternal God, our Heavenly Guide, who is the refuge and strength of all who put their trust in You, grant to us a real measure of Your power, as we lift our hearts to You in prayer this morning. You are the Creator of all people and we are Your children. Help us to love You as children ought to love their parents, with purity and humility. Help us to respect one another as we ought to respect one another, in all sincerity and truth. In this free land may we learn to live together in peace and justice.

Bless our state during its bicentennial with your continued presence, and may we be Your servants for peace, for freedom, and for truth for our citizens now and forever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jacob Aaron Cochran, Leah Nicole Cochran, and Anna Nadine Cochran.

The Journal of the thirty-ninth day was approved as printed.

No action shall be taken by the board except upon the affirmative vote of a majority of the members present.

4. The board shall meet within the state of Missouri at the time set at a previously scheduled meeting or by the request of any four members of the board. No contribution may be made to a savings account for a beneficiary if it would cause the balance of all savings accounts of the beneficiary to exceed the total contribution limit established by the board. The board may establish other requirements that it deems appropriate to provide adequate safeguards to prevent contributions on behalf of a beneficiary from exceeding what is necessary to provide for the qualified education expenses of the beneficiary.

4. The board shall establish the minimum length of time that contributions and earnings must be held by the ~~savings~~ program to qualify pursuant to section 166.435. Any contributions or earnings that are withdrawn or distributed from a savings account prior to the expiration of the minimum length of time, as established by the board, shall be subject to a penalty pursuant to section 166.430.

(3) All students:

2. The state board of education shall promulgate rules and regulations for the approval of grants made under the program to schools that:

(1) Establish measurable districtwide performance standards for the goals of the program outlined in subsection 1 of this section; and

(2) Specify the knowledge, skills and competencies, in measurable terms, that students must demonstrate to successfully complete any individual course offered by the school, and any course of studies ~~[which]~~ that will qualify a student for graduation from the school; and

(3) Do not offer a general track of courses that, upon completion, can lead to a high school diploma; and

(4) Require rigorous coursework with standards of competency in basic academic subjects for students pursuing vocational and technical education as prescribed by rule and regulation of the state board of education; and

(5) Have a partnership plan developed in cooperation and with the advice of local business persons, labor leaders, parents, and representatives of college and postsecondary vocational and technical school representatives, with the plan then approved by the local board of education. The plan shall specify a mechanism to receive information on an annual basis from those who developed the plan in addition to senior citizens, community leaders, and teachers to update the plan in order to best meet the goals of the program as provided in subsection 1 of this section. Further, the plan shall detail the procedures used in the school to identify students that may drop out of school and the intervention services to be used to meet the needs of such students. The plan shall outline counseling and mentoring services provided to students who will enter the work force upon graduation from high school, address apprenticeship and intern programs, and shall contain procedures for the recruitment of volunteers from the community of the school to serve in schools receiving program grants.

3. Any nonpublic school in this state may apply to the state board of education for certification that it meets the requirements of this section subject to the same criteria as public high schools. Every nonpublic school that applies and has met the requirements of this section shall have its students eligible for reimbursement of postsecondary education under subsection 8 of this section on an equal basis to students who graduate from public schools that meet the requirements of this section. Any nonpublic school that applies shall not be eligible for any grants under this section. Students of certified nonpublic schools shall be eligible for reimbursement of postsecondary education under subsection 8 of this section so long as they meet the other requirements of such subsection. For purposes of subdivision (5) of subsection 2 of this section, the nonpublic school shall be included in the partnership plan developed by the public school district in which the nonpublic school is located. For purposes of subdivision (1) of subsection 2 of this section, the nonpublic school shall establish measurable performance standards for the goals of the program for every school and grade level over which the nonpublic school maintains control.

4. A school district may participate in the program irrespective of its accreditation classification by the state board of education, provided it meets all other requirements.

5. Further, no school in any district shall receive a grant under the program unless the district makes available facilities and services for adult literacy training as specified by rule of the state board of education.

6. For any school that meets the requirements for the approval of the grants authorized by this section and specified in subsection 2 of this section for three successive school years, by August first following the third such school year, the commissioner of education shall present a plan to the superintendent of the school district in which such school is located for the waiver of rules and regulations to promote flexibility in the operations of the school and to enhance and encourage efficiency in the delivery of instructional services in the school. The provisions of other law to the contrary notwithstanding, the plan presented to the superintendent shall provide a summary waiver, with no conditions, for the pupil testing requirements pursuant to section 160.257 in the school. Further, the provisions of other law to the contrary notwithstanding, the plan shall detail a means for the waiver of requirements otherwise imposed on the school related to the authority of the state board of education to classify school districts pursuant to subdivision (9) of section 161.092 and such other rules and regulations as determined by the commissioner of education, except such waivers shall be confined to the school and not other schools in the school district unless such other schools meet the requirements of this subsection. However, any waiver provided to any school as outlined in this subsection shall be void on June thirtieth of any school year in which the school fails to meet the requirements for the approval of the grants authorized by this section as specified in subsection 2 of this section.

8. (2) Who has made a good faith effort to first secure all available federal sources of funding that could be applied to the reimbursement described in this subsection; and

(3) Who has earned a minimal grade average while in high school or through the semester immediately before taking the course for which reimbursement is sought as determined by rule of the department of higher education and workforce development, and other requirements for the reimbursement authorized by this subsection as determined by rule and regulation of the department. **When determining whether a student has earned a minimal grade average in the 2019-20 or 2020-21 school years for purposes of this subdivision, the department shall apply the student's highest available high school grade average so that the student is not adversely affected by any negative change in the student's academic performance directly caused by the coronavirus named SARS-CoV-2, the international outbreak of respiratory disease named "coronavirus disease 2019" and abbreviated as "COVID-19", or any changes in methods of instruction implemented by the student's school district because of COVID-19. Any rule establishing a requirement that a student obtain a certain algebra end-of-course examination score or other applicable standardized test score, as determined by the department, shall not apply to a high school senior graduating in the 2020-21 school year; and**

(4) The reimbursements provided to any two-year private vocational or technical school shall not violate the provisions of Article IX, Section 8, or Article I, Section 7, of the Missouri Constitution or the first amendment of the United States Constitution.

12. The department of higher education and workforce development shall distribute reimbursements in the following manner:

MESSAGES FROM THE GOVERNOR

The following executive order was received from His Excellency, Governor Michael L. Parson.

**EXECUTIVE ORDER
21-06**

WHEREAS, businesses are vital to communities, by providing jobs, services, and a stable tax base to fund critical public functions; and

WHEREAS, recent polls and data prove that businesses have experienced significant financial losses as a result of the COVID-19 pandemic, with disproportionate impacts to small businesses and minority-owned businesses, including those owned by women; and

WHEREAS, the State of Missouri has worked diligently since the beginning of the pandemic to allow businesses to remain open to the extent possible, to waive nearly 600 statutory and regulatory requirements in order to provide more flexibility while simultaneously safeguarding Missourians, to secure over \$11 billion in Small Business Administration low-interest loans for small businesses, and to coordinate comprehensive statewide testing, vaccination efforts, and personal protective equipment delivery; and

WHEREAS, Missouri's economy continues to show strong signs of recovery, with approximately 70 percent of jobs lost to COVID-19 being recovered, putting Missouri among the top tier of states for total economic recovery; and

WHEREAS, the State of Missouri must continue to prioritize economic recovery and support for small businesses for the benefit of all Missourians, especially those businesses that were forced to close due to no fault of their own; and

WHEREAS, Missourians and Missouri businesses are strong, resilient, and ready to get back to work; and

WHEREAS, the Hispanic Business, Trade and Culture Commission was created by Executive Order 05-43 in November 2005 and has been inactive since 2008.

NOW, THEREFORE I, MICHAEL PARSON, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and laws of the State of Missouri, do hereby create and establish the Show Me Strong Recovery Task Force and rescind Executive Order 05-43.

The purpose of the Show Me Strong Recovery Task Force shall be to study and develop recommendations on ways to support small businesses, including minority-owned businesses, throughout the state. The Task Force shall also consider ways to better engage minority-owned businesses through existing economic development tools. The Task Force shall submit a report of its findings and recommendations to the Governor by December 31, 2021.

Task Force membership shall consist of the following members, to be appointed by the Governor:

1. One member of the restaurant or hospitality industry;
2. Three members of organizations that represent minority business owners;
3. A designee from the Missouri Department of Economic Development;
4. A designee from the Missouri Office of Equal Opportunity within the Missouri Department of Administration;
5. A designee from the Missouri Department of Labor and Industrial Relations;
6. A designee from the Missouri Department of Higher Education and Workforce Development;
7. The Missouri Chamber of Commerce and Industry and the Associated Industries of Missouri shall submit a list of three individuals each for the Governor to consider for membership on the Task Force. Individuals should represent geographical, ethnic, and gender diversity from across the state. The recommendations shall be submitted to the Office of the Governor within 30 days of this order; and
8. Such other members as the Governor may appoint.

The Governor shall designate a chair and co-chair of the Task Force.

The Department of Economic Development shall provide staff support for the Task Force.

Members of the Task Force shall not receive compensation for their duties as members of the Task Force, but may be reimbursed for necessary expenses associated with performing their duties, subject to the availability of funds.

The Task Force shall dissolve and this order will terminate as of December 31, 2021 unless reauthorized by subsequent Executive Order.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 22nd day of March, 2021.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

FORTY-FIRST DAY, WEDNESDAY, MARCH 24, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Great is our Lord and of great power: His understanding is infinite. (Psalm 147:5)

All powerful God, our Creator, who does reveal Yourself in numberless ways, deepen within us this day the sense of Your presence as we wait upon You in prayer. Strengthen us by Your spirit that no danger may overwhelm us, no difficulty may overcome us, no distress may overburden us, and no discouragement may cause us to turn aside from walking with You today. May Your graces sustain us in our labors, Your hand uphold us when we fall, Your joy make our hearts happy, and Your presence give us courage to face the experiences of this day unashamed and unafraid. Help us to grow in strength, in understanding, in never-ending joy, and may we ever commit our lives to goals for all in our Missouri.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Paul Schelp and Tim Bauer.

The Journal of the fortieth day was approved as printed.

3. The children's division of the department of social services and the department of health and senior services shall promulgate rules and regulations regarding the placement of a minor for adoption.
4. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024."; and

Further amend said bill, Page 11, Section 453.040, Line 27, by inserting after said section and line the following:

"453.070. 1. Except as provided in subsection 5 of this section, no decree for the adoption of a child under eighteen years of age shall be entered for the petitioner or petitioners in such adoption as ordered by the juvenile court having jurisdiction, until a full investigation, which includes an assessment of the adoptive parents, an appropriate postplacement assessment and a summary of written reports as provided for in section 453.026, and any other pertinent information relevant to whether the child is suitable for adoption by the petitioner and whether the petitioner is suitable as a parent for the child, has been made. The report shall also include a statement to the effect that the child has been considered as a potential subsidy recipient.

2. Such investigation shall be made, as directed by the court having jurisdiction, either by the children's division of the department of social services, a juvenile court officer, a licensed child-placement agency, a social worker, a professional counselor, or a psychologist licensed under chapter 337 and associated with a licensed child-placement agency, or other suitable person appointed by the court. The results of such investigation shall be embodied in a written report that shall be submitted to the court within ninety days of the request for the investigation.

3. The children's division shall develop rules and regulations regarding the content of the assessment of the petitioner or petitioners. The content of the assessment shall include but not be limited to a report on the condition of the petitioner's home and information on the petitioner's education, financial, marital, medical and psychological status and criminal background check. If an assessment is conducted after August 28, 1997, but prior to the promulgation of rules and regulations by the ~~[department]~~ **children's division** concerning the contents of such assessment, any discrepancy between the contents of the actual assessment and the contents of the assessment required by ~~[department]~~ **children's division** rule shall not be used as the sole basis for invalidating an adoption. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536.

4. The assessment of petitioner or petitioners shall be submitted to the petitioner and to the court prior to the scheduled hearing of the adoptive petition.

5. In cases where the adoption or custody involves a child under eighteen years of age that is the natural child of one of the petitioners and where all of the parents required by this chapter to give consent to the adoption or transfer of custody have given such consent, the juvenile court may waive the investigation and report, except the criminal background check, and enter the decree for the adoption or order the transfer of custody without such investigation and report.

6. In the case of an investigation and report made by the children's division by order of the court, the court may order the payment of a reasonable fee by the petitioner to cover the costs of the investigation and report.

7. Any adult person or persons over the age of eighteen who, as foster parent or parents, have cared for a foster child continuously for a period of nine months or more and bonding has occurred as evidenced by the positive emotional and physical interaction between the foster parent and child, may apply to such authorized agency for the placement of such child with them for the purpose of adoption if the child is eligible for adoption. The agency and court shall give preference and first consideration for adoptive placements to foster parents. However, the final determination of the propriety of the adoption of such foster child shall be within the sole discretion of the court.

8. (1) Nothing in this section shall be construed to permit discrimination on the basis of disability or disease of a prospective adoptive parent.

(2) The disability or disease of a prospective adoptive parent shall not constitute a basis for a determination that the petitioner is unfit or not suitable to be an adoptive parent without a specific showing that there is a causal relationship between the disability or disease and a substantial and significant risk of harm to a child."; and

"160.2700. For purposes of sections 160.2700 to 160.2725, "adult high school" means a school that:

- (1) Is for individuals who do not have a high school diploma and who are twenty-one years of age or older;
- (2) Offers an industry certification program or programs and a high school diploma in a manner that allows students to earn a diploma at the same time that they earn an industry certification;
- (3) Offers ~~[on-site]~~ child care for children of enrolled students attending the school; and
- (4) Is not eligible to receive funding under section 160.415 or 163.031.

160.2705. 1. The department of elementary and secondary education shall authorize before January 1, 2018, a Missouri-based nonprofit organization meeting the criteria under subsection 2 of this section to establish and operate four adult high schools, with:

- (1) One adult high school to be located in a city not within a county;

- (4) One adult high school to be located in a county of the first classification with more than one hundred fifty thousand but fewer than two hundred thousand inhabitants.

2. The department of elementary and secondary education shall grant the authorization described under subsection 1 of this section based on a bid process conducted in accordance with the rules and regulations governing purchasing through the office of administration. The successful bidder shall:

- (1) Demonstrate the ability to establish, within twenty-one months of the receipt of the authorization, four adult high schools offering high school diplomas, an industry certification program or programs, and ~~[on-site]~~ child care for children of the students attending the high schools;
- (2) Commit at least two million dollars in investment for the purpose of establishing the necessary infrastructure to operate four adult high schools;

- (9) Establish a process for determining outcomes of the adult high school, including outcomes related to a student's ability to find a more rewarding job through the attainment of a high school diploma and job training and certification; and
- (10) Bids shall not include an administrative fee greater than ten percent.

3. (1) The department of elementary and secondary education shall establish academic requirements for students to obtain high school diplomas.

(2) Requirements for a high school diploma shall be based on an adult student's prior high school achievement and the remaining credits and coursework that would be necessary for the student to receive a high school diploma if he or she were in a traditional high school setting. The adult student shall meet the requirements with the same level of academic rigor as would otherwise be necessary to attain such credits.

(3) The adult high school authorized under this section shall award high school diplomas to students who successfully meet the established academic requirements. The adult high school authorized under this section shall confer the diploma as though the student earned the diploma at a traditional high school. The diploma shall have no differentiating marks, titles, or other symbols.

(4) Students at adult high schools may complete required coursework at their own pace and as available through the adult high school. They shall not be required to satisfy any specific number of class minutes. The adult high school may also make classes available to students online as may be appropriate. However, students shall not complete the majority of instruction of the school's curriculum online or through remote instruction. **For the purposes of this subsection, synchronous instruction connecting students to a live class conducted in a Missouri adult high school shall be treated the same as in-person instruction.**

(5) The department of elementary and secondary education shall not create additional regulations or burdens on the adult high school or the students attending the adult high schools beyond certifying necessary credits and ensuring that students have sufficiently mastered the subject matter to make them eligible for credit.

4. An adult high school shall be deemed a "secondary school system" for the purposes of subdivision (15) of subsection 1 of section 210.211.

161.214. 1. As used in this section, the following terms mean:

- (2) "Department", the department of elementary and secondary education;
- (3) "School innovation team", a group of natural persons representing:
 - (a) A single elementary or secondary school;
 - (b) A group of two or more elementary or secondary schools within the same school district that share common interests, such as geographical location or educational focus, or that sequentially serve classes of students as they progress through elementary and secondary education;
 - (c) A group of two or more elementary or secondary schools not within the same school district that share common interests, such as geographical location or educational focus, or that sequentially serve classes of students as they progress through elementary and secondary education;
 - (d) A single school district; or
 - (e) A group of two or more school districts that share common interests, such as geographical location or educational focus, or that sequentially serve classes of students as they progress through elementary and secondary education;
- (4) "School innovation waiver", a waiver granted by the board to a single school, group of schools, single school district, or group of school districts under this section, in which the school, group of schools, school district, or group of school districts is exempt from a specific requirement imposed by chapter 160, 161, 162, 167, 170, or 171, or any regulations promulgated under such chapters by the board or the department. Any school innovation waiver granted to a school district or group of school districts shall apply to every elementary and secondary school within the school district or group of school districts unless the plan specifically provides otherwise.

2. Any school innovation team seeking a school innovation waiver may submit a plan to the board for one or more of the following purposes:

- (1) Improving student readiness for employment, higher education, vocational training, technical training, or any other form of career and job training;
- (2) Increasing the compensation of teachers; or
- (3) Improving the recruitment, retention, training, preparation, or professional development of teachers.

3. Any plan for a school innovation waiver shall:

- (1) Identify the specific provision of law for which a waiver is being requested and provide an explanation for why the specific provision of law inhibits the ability of the school or school district to accomplish the goal stated in the plan;
- (2) Demonstrate that the intent of the specific provision of law can be addressed in a more effective, efficient, or economical manner and that the waiver or modification is necessary to implement the plan;
- (3) Include measurable annual performance targets and goals for the implementation of the plan;

(4) Specify the innovations to be pursued in meeting one or more of the goals listed in subsection 2 of this section;

(5) Demonstrate parental, school employee, and community and business support for, and engagement with, the plan; and

(6) Be approved by at least the minimum number of people required to be on the school innovation team prior to submitting the plan for approval.

4. (1) In evaluating a plan submitted by a school innovation team under subsection 2 of this section, the board shall consider whether the plan will:

(a) Improve the preparation, counseling, and overall readiness of students for postsecondary life;

(b) Increase teacher salaries in a financially sustainable and prudent manner; or

(c) Increase the attractiveness of the teaching profession for prospective teachers and active teachers alike.

(2) The board may approve any plan submitted under subsection 2 of this section if the board determines that:

(a) The plan successfully demonstrates the ability to address the intent of the provision of law to be waived in a more effective, efficient, or economical manner;

(b) The waivers or modifications are demonstrated to be necessary to stimulate or improve student readiness for postsecondary life, increase teacher salaries, or increase the attractiveness of the teaching profession for prospective teachers and active teachers;

(c) The plan has demonstrated sufficient participation from among the teachers, principal, superintendent, faculty, school board, parents, and the community at large; and

(d) The plan is based upon sound educational practices, does not endanger the health and safety of students or staff, and does not compromise equal opportunity for learning.

(3) The board may propose modifications to the plan in cooperation with the school innovation team.

5. Any waiver granted under this section shall be effective for a period of no longer than three school years beginning the school year following the school year in which the waiver is approved. Any waiver may be renewed. No more than one school innovation waiver shall be in effect with respect to any one elementary or secondary school at one time.

6. This section shall not be construed to allow the board to authorize the waiver of any statutory requirements relating to school start date, teacher certification, teacher tenure, or any requirement imposed by federal law.

7. The board may promulgate rules implementing the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2021, shall be invalid and void."; and

2. The state board of education, in consultation with the career and technical education advisory council as established in section 178.550, shall establish minimum requirements for a ~~[career and technical education (CTE)]~~ **CTE** certificate that a student can earn in addition to ~~[his or her]~~ **the student's** high school graduation diploma. Students entering high school in school year 2017-18 and thereafter shall be eligible to earn a CTE certificate.

~~[2-]~~ 3. The ~~[state board of education]~~ **statewide plan** shall establish CTE requirements intended to provide students with the necessary technical employability skills to be prepared for an entry-level career in a technical field or additional training in a technical field. The provisions of this section shall not be considered a means for tracking students in order to impel students to particular vocational, career, or college paths. The state board of education shall work with local school districts to ensure that tracking does not occur. For purposes of this section, "tracking" means separating pupils by academic ability into groups for all subjects or certain classes and curriculum.

~~[3-]~~ 4. Each local school district shall determine the curriculum, programs of study, and course offerings based on the needs and interests of the students in the district **and meeting the requirements of the statewide plan**. As required by Missouri's state plan for career education and the Missouri school improvement program, the state board of education shall work in cooperation with individual school districts to stipulate the minimum number of CTE offerings. Each local school district shall strive to offer programs of study that are economically feasible for students in the district. In establishing CTE offerings, the district may rely on standards, technical coursework, and skills assessments developed for industry-recognized certificates or credentials.

5. **To enable school districts to offer CTE programs of study that are current with business and industry standards, the department of elementary and secondary education shall as needed convene work groups from each program area to develop and recommend rigorous and relevant performance standards or course competencies for each program of study. The work groups shall include, but not be limited to, educators providing instruction in each CTE program area, advisors from each CTE program area from the department of elementary and secondary education, the department of higher education and workforce development, business and industry, and institutions of higher education. The department of elementary and secondary education shall develop written model curriculum frameworks relating to CTE program areas that may be used by school districts. The requirements of section 160.514 shall not apply to this section.**

~~[4-]~~ 6. No later than January 1, 2017, the department of elementary and secondary education shall develop a process for recognition of a school district's career and technical education program that offers a career and technical education certificate.

~~[5-]~~ 7. The department of elementary and secondary education shall promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2016, shall be invalid and void."; and

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

FORTY-SECOND DAY, THURSDAY, MARCH 25, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

O give thanks unto the Lord, for He is good: for His mercy endureth forever. (Psalm 107:1)

O Eternal and merciful God, who is the source of wisdom, beauty and goodness, whose Spirit ever seeks to arise within our hearts and in the hearts of all people everywhere, make Yourself known to us as we bow in prayer before You. We thank You that You are everywhere, that no condition and no distance can ever separate us from You and from Your love. We thank You that Your mercies never fail and Your loving kindness never ceases. We are grateful for our lives, which are in Your hands, and for Your continuous goodness, which blesses us all our days. Help us to be worthy of Your gifts and to use them for Your glory and for the welfare of our state and our citizens. Grant that each one of us may do our part to bring about, in these districts, an order of society in which there will be no injustice, no bitterness of spirit, and in which each person may come to the fullness of life for which he or she was created.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-first day was approved as printed.

House Amendment No. 2

AMEND House Committee Substitute for House Bill No. 811, Page 1, Section A, Line 2, by inserting after all of said line the following:

"169.070. 1. The retirement allowance of a member whose age at retirement is sixty years or more and whose creditable service is five years or more, or whose sum of age and creditable service equals eighty years or more, or who has attained age fifty-five and whose creditable service is twenty-five years or more or whose creditable service is thirty years or more regardless of age, may be the sum of the following items, not to exceed one hundred percent of the member's final average salary:

- (1) Two and five-tenths percent of the member's final average salary for each year of membership service;
- (2) Six-tenths of the amount payable for a year of membership service for each year of prior service not exceeding thirty years.

In lieu of the retirement allowance otherwise provided in subdivisions (1) and (2) of this subsection, a member may elect to receive a retirement allowance of:

(3) Two and four-tenths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-nine years or more but less than thirty years, and the member has not attained age fifty-five;

(4) Two and thirty-five-hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-eight years or more but less than twenty-nine years, and the member has not attained age fifty-five;

(5) Two and three-tenths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-seven years or more but less than twenty-eight years, and the member has not attained age fifty-five;

(6) Two and twenty-five-hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-six years or more but less than twenty-seven years, and the member has not attained age fifty-five;

(7) Two and two-tenths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-five years or more but less than twenty-six years, and the member has not attained age fifty-five;

(8) ~~Between July 1, 2001, and July 1, 2014,~~ Two and fifty-five hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is ~~thirty-one~~ **thirty-two** years or more regardless of age.

2. In lieu of the retirement allowance provided in subsection 1 of this section, a member whose age is sixty years or more on September 28, 1975, may elect to have the member's retirement allowance calculated as a sum of the following items:

(1) Sixty cents plus one and five-tenths percent of the member's final average salary for each year of membership service;

(2) Six-tenths of the amount payable for a year of membership service for each year of prior service not exceeding thirty years;

(3) Three-fourths of one percent of the sum of subdivisions (1) and (2) of this subsection for each month of attained age in excess of sixty years but not in excess of age sixty-five.

3. (1) In lieu of the retirement allowance provided either in subsection 1 or 2 of this section, collectively called "option 1", a member whose creditable service is twenty-five years or more or who has attained the age of fifty-five with five or more years of creditable service may elect in the member's application for retirement to receive the actuarial equivalent of the member's retirement allowance in reduced monthly payments for life during retirement with the provision that:

Option 2. Upon the member's death the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member as the member shall have nominated in the member's election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the retired member elected option 1;

OR

Option 3. Upon the death of the member three-fourths of the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the member elected option 1;

OR

Option 4. Upon the death of the member one-half of the reduced retirement allowance shall be continued throughout the life of, and paid to, such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance shall be increased to the amount the retired member would be receiving had the member elected option 1;

OR

Option 5. Upon the death of the member prior to the member having received one hundred twenty monthly payments of the member's reduced allowance, the remainder of the one hundred twenty monthly payments of the reduced allowance shall be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the one hundred twenty monthly payments, the total of the remainder of such one hundred twenty

monthly payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the last person, in that order of precedence, to receive a monthly allowance in a lump sum payment. If the total of the one hundred twenty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum;

OR

Option 6. Upon the death of the member prior to the member having received sixty monthly payments of the member's reduced allowance, the remainder of the sixty monthly payments of the reduced allowance shall be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the sixty monthly payments, the total of the remainder of such sixty monthly payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the last person, in that order of precedence, to receive a monthly allowance in a lump sum payment. If the total of the sixty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum.

(2) The election of an option may be made only in the application for retirement and such application must be filed prior to the date on which the retirement of the member is to be effective. If either the member or the person nominated to receive the survivorship payments dies before the effective date of retirement, the option shall not be effective, provided that:

(a) If the member or a person retired on disability retirement dies after acquiring twenty-five or more years of creditable service or after attaining the age of fifty-five years and acquiring five or more years of creditable service and before retirement, except retirement with disability benefits, and the person named by the member as the member's beneficiary has an insurable interest in the life of the deceased member, the designated beneficiary may elect to receive either survivorship benefits under option 2 or a payment of the accumulated contributions of the member. If survivorship benefits under option 2 are elected and the member at the time of death would have been eligible to receive an actuarial equivalent of the member's retirement allowance, the designated beneficiary may further elect to defer the option 2 payments until the date the member would have been eligible to receive the retirement allowance provided in subsection 1 or 2 of this section;

(b) If the member or a person retired on disability retirement dies before attaining age fifty-five but after acquiring five but fewer than twenty-five years of creditable service, and the person named as the member's beneficiary has an insurable interest in the life of the deceased member, the designated beneficiary may elect to receive either a payment of the member's accumulated contributions, or survivorship benefits under option 2 to begin on the date the member would first have been eligible to receive an actuarial equivalent of the member's retirement allowance, or to begin on the date the member would first have been eligible to receive the retirement allowance provided in subsection 1 or 2 of this section.

4. If the total of the retirement or disability allowance paid to an individual before the death of the individual is less than the accumulated contributions at the time of retirement, the difference shall be paid to the beneficiary of the individual, or to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the individual in that order of precedence. If an optional benefit as provided in option 2, 3 or 4 in subsection 3 of this section had been elected, and the beneficiary dies after receiving the optional benefit, and if the total retirement allowance paid to the retired individual and the beneficiary of the retired individual is less than the total of the contributions, the difference shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the beneficiary, in that order of precedence, unless the retired individual designates a different recipient with the board at or after retirement.

5. If a member dies and his or her financial institution is unable to accept the final payment or payments due to the member, the final payment or payments shall be paid to the beneficiary of the member or, if there is no beneficiary, to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the member, in that order of precedence, unless otherwise stated. If the beneficiary of a deceased member dies and his or her financial institution is unable to accept the final payment or payments, the final payment or payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the member, in that order of precedence, unless otherwise stated.

6. If a member dies before receiving a retirement allowance, the member's accumulated contributions at the time of the death of the member shall be paid to the beneficiary of the member or, if there is no beneficiary, to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or to the estate of the

member, in that order of precedence; except that, no such payment shall be made if the beneficiary elects option 2 in subsection 3 of this section, unless the beneficiary dies before having received benefits pursuant to that subsection equal to the accumulated contributions of the member, in which case the amount of accumulated contributions in excess of the total benefits paid pursuant to that subsection shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the beneficiary, in that order of precedence.

7. If a member ceases to be a public school employee as herein defined and certifies to the board of trustees that such cessation is permanent, or if the membership of the person is otherwise terminated, the member shall be paid the member's accumulated contributions with interest.

8. Notwithstanding any provisions of sections 169.010 to 169.141 to the contrary, if a member ceases to be a public school employee after acquiring five or more years of membership service in Missouri, the member may at the option of the member leave the member's contributions with the retirement system and claim a retirement allowance any time after reaching the minimum age for voluntary retirement. When the member's claim is presented to the board, the member shall be granted an allowance as provided in sections 169.010 to 169.141 on the basis of the member's age, years of service, and the provisions of the law in effect at the time the member requests the member's retirement to become effective.

9. The retirement allowance of a member retired because of disability shall be nine-tenths of the allowance to which the member's creditable service would entitle the member if the member's age were sixty, or fifty percent of one-twelfth of the annual salary rate used in determining the member's contributions during the last school year for which the member received a year of creditable service immediately prior to the member's disability, whichever is greater, except that no such allowance shall exceed the retirement allowance to which the member would have been entitled upon retirement at age sixty if the member had continued to teach from the date of disability until age sixty at the same salary rate.

10. Notwithstanding any provisions of sections 169.010 to 169.141 to the contrary, from October 13, 1961, the contribution rate pursuant to sections 169.010 to 169.141 shall be multiplied by the factor of two-thirds for any member of the system for whom federal Old Age and Survivors Insurance tax is paid from state or local tax funds on account of the member's employment entitling the person to membership in the system. The monetary benefits for a member who elected not to exercise an option to pay into the system a retroactive contribution of four percent on that part of the member's annual salary rate which was in excess of four thousand eight hundred dollars but not in excess of eight thousand four hundred dollars for each year of employment in a position covered by this system between July 1, 1957, and July 1, 1961, as provided in subsection 10 of this section as it appears in RSMo, 1969, shall be the sum of:

(1) For years of service prior to July 1, 1946, six-tenths of the full amount payable for years of membership service;

(2) For years of membership service after July 1, 1946, in which the full contribution rate was paid, full benefits under the formula in effect at the time of the member's retirement;

(3) For years of membership service after July 1, 1957, and prior to July 1, 1961, the benefits provided in this section as it appears in RSMo, 1959; except that if the member has at least thirty years of creditable service at retirement the member shall receive the benefit payable pursuant to that section as though the member's age were sixty-five at retirement;

(4) For years of membership service after July 1, 1961, in which the two-thirds contribution rate was paid, two-thirds of the benefits under the formula in effect at the time of the member's retirement.

11. The monetary benefits for each other member for whom federal Old Age and Survivors Insurance tax is or was paid at any time from state or local funds on account of the member's employment entitling the member to membership in the system shall be the sum of:

(1) For years of service prior to July 1, 1946, six-tenths of the full amount payable for years of membership service;

(2) For years of membership service after July 1, 1946, in which the full contribution rate was paid, full benefits under the formula in effect at the time of the member's retirement;

(3) For years of membership service after July 1, 1957, in which the two-thirds contribution rate was paid, two-thirds of the benefits under the formula in effect at the time of the member's retirement.

12. Any retired member of the system who was retired prior to September 1, 1972, or beneficiary receiving payments under option 1 or option 2 of subsection 3 of this section, as such option existed prior to September 1, 1972, will be eligible to receive an increase in the retirement allowance of the member of two percent for each year, or major fraction of more than one-half of a year, which the retired member has been retired prior to July 1, 1975. This increased amount shall be payable commencing with January, 1976, and shall thereafter be referred to as the

member's retirement allowance. The increase provided for in this subsection shall not affect the retired member's eligibility for compensation provided for in section ~~[169.580 or]~~ 169.585, nor shall the amount being paid pursuant to these sections be reduced because of any increases provided for in this section.

13. If the board of trustees determines that the cost of living, as measured by generally accepted standards, increases two percent or more in the preceding fiscal year, the board shall increase the retirement allowances which the retired members or beneficiaries are receiving by two percent of the amount being received by the retired member or the beneficiary at the time the annual increase is granted by the board with the provision that the increases provided for in this subsection shall not become effective until the fourth January first following the member's retirement or January 1, 1977, whichever later occurs, or in the case of any member retiring on or after July 1, 2000, the increase provided for in this subsection shall not become effective until the third January first following the member's retirement, or in the case of any member retiring on or after July 1, 2001, the increase provided for in this subsection shall not become effective until the second January first following the member's retirement. Commencing with January 1, 1992, if the board of trustees determines that the cost of living has increased five percent or more in the preceding fiscal year, the board shall increase the retirement allowances by five percent. The total of the increases granted to a retired member or the beneficiary after December 31, 1976, may not exceed eighty percent of the retirement allowance established at retirement or as previously adjusted by other subsections. If the cost of living increases less than five percent, the board of trustees may determine the percentage of increase to be made in retirement allowances, but at no time can the increase exceed five percent per year. If the cost of living decreases in a fiscal year, there will be no increase in allowances for retired members on the following January first.

14. The board of trustees may reduce the amounts which have been granted as increases to a member pursuant to subsection 13 of this section if the cost of living, as determined by the board and as measured by generally accepted standards, is less than the cost of living was at the time of the first increase granted to the member; except that, the reductions shall not exceed the amount of increases which have been made to the member's allowance after December 31, 1976.

15. Any application for retirement shall include a sworn statement by the member certifying that the spouse of the member at the time the application was completed was aware of the application and the plan of retirement elected in the application.

16. JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

THIRTY-SIXTH DAY, TUESDAY, MARCH 9, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Blessed are they who hunger and thirst after righteousness, for they shall be filled. (Matthew 5:6)

Ancient and Eternal God of us all, amid the never ending maze of daily duties and the fever and fret of our busy times, we would pause for a moment in the secret place of the Most High and abide under the shadow of the Almighty.

In this quiet moment of prayer we would make ourselves receptive to You. Help us to hear Your voice and to be obedient to the call of Your Holy Spirit. May our hunger for truth and our thirst for life find their fulfillment in Your presence. As we go through this beautiful spring day, may we keep our hearts and minds always open to You, who is the source of strength for the faithful.

To You we bring the members of this House and for them we pray. Give them clarity of insight to see what is right, confidence to do what is right and the courage to keep on the right path now and always.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-fifth day was approved as printed.

"144.759. 1. All local use taxes collected by the director of revenue pursuant to sections 144.757 to 144.761 on behalf of any county or municipality, less one percent for cost of collection, which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087 shall be deposited with the state treasurer in a local use tax trust fund, which fund shall be separate and apart from the local sales tax trust funds. The moneys in such local use tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county or municipality imposing a local use tax, and the records shall be open to the inspection of officers of the county or municipality and to the public. No later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month, except as provided in subsection 2 of this section, to the county or municipality treasurer, or such other officer as may be designated by the county or municipality ordinance or order, of each county or municipality imposing the tax authorized by sections 144.757 to 144.761, the sum due the county or municipality as certified by the director of revenue.

Such ordinance shall require an audited comprehensive financial report detailing the management and use of such funds each year. Such ordinance shall also require that the county and the municipal league of the county jointly prepare a strategy to guide expenditures of funds and conduct an annual review of the strategy. The treasurer or such other officer as may be designated by county ordinance shall distribute one third of the balance to the county and to each city, town and village in group B according to section 66.620 as modified by this section, a portion of the two thirds remainder of such balance equal to the percentage ratio that the population of each such city, town or village bears to the total population of all such group B cities, towns and villages. For the purposes of this subsection, population shall be determined by the last federal decennial census or the latest census that determines the total population of the county and all political subdivisions therein. 3. If any county or municipality abolishes the tax, the county or municipality shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. House Amendment No. 1

AMEND House Amendment No. 1 to House Bill No. 554, Page 1, Lines 1-2, by deleting all of said lines and inserting in lieu thereof the following:

"AMEND House Bill No. 554, Page 2, Section 32.310, Line 34, by inserting after all of said section and line the following:

"99.805. As used in sections 99.800 to 99.865, unless the context clearly requires otherwise, the following terms shall mean:

(1) "Blighted area", an area which, by reason of the predominance of [~~defective or inadequate street layout,~~] insanitary or unsafe conditions, [~~deterioration of site improvements, improper subdivision or obsolete platting,~~] or the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, [~~morals,~~] or welfare in its present condition and use, and, for redevelopment areas located in a city not within a county, which has a median household income less than or equal to two hundred percent of the federal poverty level, as determined by the most current five-year figures published by the American Community Survey conducted by the United States Census Bureau;

(2) "Collecting officer", the officer of the municipality responsible for receiving and processing payments in lieu of taxes or economic activity taxes from taxpayers or the department of revenue;

(3) ~~["Conservation area", any improved area within the boundaries of a redevelopment area located within the territorial limits of a municipality in which fifty percent or more of the structures in the area have an age of thirty-five years or more. Such an area is not yet a blighted area but is detrimental to the public health, safety, morals, or welfare and may become a blighted area because of any one or more of the following factors: dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of community planning. A conservation area shall meet at least three of the factors provided in this subdivision for projects approved on or after December 23, 1997;~~

~~———(4)] "Economic activity taxes", the total additional revenue from taxes which are imposed by a municipality and other taxing districts, and which are generated by economic activities within a redevelopment area over the amount of such taxes generated by economic activities within such redevelopment area in the calendar year prior to the adoption of the ordinance designating such a redevelopment area, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments. For redevelopment projects or redevelopment plans approved after December 23, 1997, if a retail establishment relocates within one year from one facility to another facility within the same county and the governing body of the municipality finds that the relocation is a direct beneficiary of tax increment financing, then for purposes of this definition, the economic activity taxes generated by the retail establishment shall equal the total additional revenues from economic activity taxes which are imposed by a municipality or other taxing district over the amount of economic activity taxes generated by the retail establishment in the calendar year prior to its relocation to the redevelopment area;~~

~~[(5) "Economic development area", any area or portion of an area located within the territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and (3) of this section, and in which the governing body of the municipality finds that redevelopment will not be solely used for development of commercial businesses which unfairly compete in the local economy and is in the public interest because it will:~~

- ~~———(a) Discourage commerce, industry or manufacturing from moving their operations to another state; or~~
- ~~———(b) Result in increased employment in the municipality; or~~
- ~~———(c) Result in preservation or enhancement of the tax base of the municipality;~~

~~———(6)] (4) "Gambling establishment", an excursion gambling boat as defined in section 313.800 and any related business facility including any real property improvements which are directly and solely related to such business facility, whose sole purpose is to provide goods or services to an excursion gambling boat and whose majority ownership interest is held by a person licensed to conduct gambling games on an excursion gambling boat or licensed to operate an excursion gambling boat as provided in sections 313.800 to 313.850. This subdivision shall be applicable only to a redevelopment area designated by ordinance adopted after December 23, 1997;~~

~~[(7)](5) "Greenfield area", any vacant, unimproved, or agricultural property that is located wholly outside the incorporated limits of a city, town, or village, or that is substantially surrounded by contiguous properties with agricultural zoning classifications or uses unless said property was annexed into the incorporated limits of a city, town, or village ten years prior to the adoption of the ordinance approving the redevelopment plan for such greenfield area;~~

~~[(8)](6) "Municipality", a city, village, or incorporated town or any county of this state. For redevelopment areas or projects approved on or after December 23, 1997, municipality applies only to cities, villages, incorporated towns or counties established for at least one year prior to such date;~~

~~[(9)](7) "Obligations", bonds, loans, debentures, notes, special certificates, or other evidences of indebtedness issued by a municipality to carry out a redevelopment project or to refund outstanding obligations;~~

~~[(10)](8) "Ordinance", an ordinance enacted by the governing body of a city, town, or village or a county or an order of the governing body of a county whose governing body is not authorized to enact ordinances;~~

~~[(11)](9) "Payment in lieu of taxes", those estimated revenues from real property in the area selected for a redevelopment project, which revenues according to the redevelopment project or plan are to be used for a private use, which taxing districts would have received had a municipality not adopted tax increment allocation financing, and which would result from levies made after the time of the adoption of tax increment allocation financing during the time the current equalized value of real property in the area selected for the redevelopment project exceeds the total initial equalized value of real property in such area until the designation is terminated pursuant to subsection 2 of section 99.850;~~

~~[(42)]~~(10) "Redevelopment area", an area designated by a municipality, in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as a blighted area, ~~[a conservation area, an economic development area, an enterprise zone pursuant to sections 135.200 to 135.256, or a combination thereof,]~~ which area includes only those parcels of real property directly and substantially benefitted by the proposed redevelopment project;

~~[(43)]~~(11) "Redevelopment plan", the comprehensive program of a municipality for redevelopment intended by the payment of redevelopment costs to reduce or eliminate those conditions, the existence of which qualified the redevelopment area as a blighted area, ~~[conservation area, economic development area, or combination thereof,]~~ and to thereby enhance the tax bases of the taxing districts which extend into the redevelopment area. Each redevelopment plan shall conform to the requirements of section 99.810;

~~[(44)]~~(12) "Redevelopment project", any development project within a redevelopment area in furtherance of the objectives of the redevelopment plan; any such redevelopment project shall include a legal description of the area selected for the redevelopment project;

~~[(45)]~~(13) "Redevelopment project costs" include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan or redevelopment project, as applicable. Such costs include, but are not limited to, the following:

(a) Costs of studies, surveys, plans, and specifications;
 (b) Professional service costs, including, but not limited to, architectural, engineering, legal, marketing, financial, planning or special services. Except the reasonable costs incurred by the commission established in section 99.820 for the administration of sections 99.800 to 99.865, such costs shall be allowed only as an initial expense which, to be recoverable, shall be included in the costs of a redevelopment plan or project;

(c) Property assembly costs, including, but not limited to:

a. Acquisition of land and other property, real or personal, or rights or interests therein;
 b. Demolition of buildings; and
 c. The clearing and grading of land;

(d) Costs of rehabilitation, reconstruction, or repair or remodeling of existing buildings and fixtures;

(e) ~~[Initial costs for an economic development area;~~

~~—(f)]~~Costs of construction of public works or improvements;

~~[(g)]~~(f) Financing costs, including, but not limited to, all necessary and incidental expenses related to the issuance of obligations, and which may include payment of interest on any obligations issued pursuant to sections 99.800 to 99.865 accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not more than eighteen months thereafter, and including reasonable reserves related thereto;

~~[(h)]~~(g) All or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs;

~~[(i)]~~(h) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or are required to be paid by federal or state law;

~~[(j)]~~(i) Payments in lieu of taxes;

~~[(46)]~~(14) "Special allocation fund", the fund of a municipality or its commission which contains at least two separate segregated accounts for each redevelopment plan, maintained by the treasurer of the municipality or the treasurer of the commission into which payments in lieu of taxes are deposited in one account, and economic activity taxes and other revenues are deposited in the other account;

~~[(47)]~~(15) "Taxing districts", any political subdivision of this state having the power to levy taxes;

~~[(48)]~~(16) "Taxing districts' capital costs", those costs of taxing districts for capital improvements that are found by the municipal governing bodies to be necessary and to directly result from the redevelopment project; and

~~[(49)]~~(17) "Vacant land", any parcel or combination of parcels of real property not used for industrial, commercial, or residential buildings.

99.810. 1. Each redevelopment plan shall set forth in writing a general description of the program to be undertaken to accomplish the objectives and shall include, but need not be limited to, the estimated redevelopment project costs, the anticipated sources of funds to pay the costs, evidence of the commitments to finance the project costs, the anticipated type and term of the sources of funds to pay costs, the anticipated type and terms of the obligations to be issued, the most recent equalized assessed valuation of the property within the redevelopment area which is to be subjected to payments in lieu of taxes and economic activity taxes pursuant to section 99.845, an estimate as to the equalized assessed valuation after redevelopment, and the general land uses to apply in the redevelopment area. No redevelopment plan shall be adopted by a municipality without findings that:

(1) The redevelopment area on the whole is a blighted area~~], a conservation area, or an economic development area,~~ and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. Such a finding shall include, but not be limited to, a study conducted by a third party which includes a detailed description of the factors that qualify the redevelopment area or project pursuant to this subdivision and an affidavit, signed by the developer or developers and submitted with the redevelopment plan, attesting that the provisions of this subdivision have been met;

(2) The redevelopment plan conforms to the comprehensive plan for the development of the municipality as a whole;

(3) The estimated dates, which shall not be more than twenty-three years from the adoption of the ordinance approving a redevelopment project within a redevelopment area, of completion of any redevelopment project and retirement of obligations incurred to finance redevelopment project costs have been stated, provided that no ordinance approving a redevelopment project shall be adopted later than ten years from the adoption of the ordinance approving the redevelopment plan under which such project is authorized and provided that no property for a redevelopment project shall be acquired by eminent domain later than five years from the adoption of the ordinance approving such redevelopment project;

(4) A plan has been developed for relocation assistance for businesses and residences;

(5) A cost-benefit analysis showing the economic impact of the plan on each taxing district which is at least partially within the boundaries of the redevelopment area. The analysis shall show the impact on the economy if the project is not built, and is built pursuant to the redevelopment plan under consideration. The cost-benefit analysis shall include a fiscal impact study on every affected political subdivision, and sufficient information from the developer for the commission established in section 99.820 to evaluate whether the project as proposed is financially feasible;

(6) A finding that the plan does not include the initial development or redevelopment of any gambling establishment, provided however, that this subdivision shall be applicable only to a redevelopment plan adopted for a redevelopment area designated by ordinance after December 23, 1997.

2. By the last day of February each year, each commission shall report to the director of economic development the name, address, phone number and primary line of business of any business which relocates to the district. The director of the department of economic development shall compile and report the same to the governor, the speaker of the house and the president pro tempore of the senate on the last day of April each year.

99.825. 1. Prior to the adoption of an ordinance proposing the designation of a redevelopment area, or approving a redevelopment plan or redevelopment project, the commission shall fix a time and place for a public hearing as required in subsection 4 of section 99.820 and notify each taxing district located wholly or partially within the boundaries of the proposed redevelopment area, plan or project. At the public hearing any interested person or affected taxing district may file with the commission written objections to, or comments on, and may be heard orally in respect to, any issues embodied in the notice. The commission shall hear and consider all protests, objections, comments and other evidence presented at the hearing. The hearing may be continued to another date without further notice other than a motion to be entered upon the minutes fixing the time and place of the subsequent hearing; provided, if the commission is created under subsection 3 of section 99.820, the hearing shall not be continued for more than thirty days beyond the date on which it is originally opened unless such longer period is requested by the chief elected official of the municipality creating the commission and approved by a majority of the commission. Prior to the conclusion of the hearing, changes may be made in the redevelopment plan, redevelopment project, or redevelopment area, provided that each affected taxing district is given written notice of such changes at least seven days prior to the conclusion of the hearing. After the public hearing but prior to the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, changes may be made to the redevelopment plan, redevelopment projects or redevelopment areas without a further hearing, if such changes do not enlarge the exterior boundaries of the redevelopment area or areas, and do not substantially affect the general land uses established in the redevelopment plan or substantially change the nature of the redevelopment projects, provided that notice of such changes shall be given by mail to each affected taxing district and by publication in a newspaper of general circulation in the area of the proposed redevelopment not less than ten days prior to the adoption of the changes by ordinance. After the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, no ordinance shall be adopted altering the exterior boundaries, affecting the general land uses established pursuant to the redevelopment plan or changing the nature of the redevelopment project without complying with the procedures provided in this section

pertaining to the initial approval of a redevelopment plan or redevelopment project and designation of a redevelopment area. Hearings with regard to a redevelopment project, redevelopment area, or redevelopment plan may be held simultaneously.

2. If, after concluding the hearing required under this section, the commission makes a recommendation under section 99.820 in opposition to a proposed redevelopment plan, redevelopment project, or designation of a redevelopment area, or any amendments thereto, a municipality desiring to approve such project, plan, designation, or amendments shall do so only upon a two-thirds majority vote of the governing body of such municipality. For plans, projects, designations, or amendments approved by a municipality over the recommendation in opposition by the commission formed under subsection 3 of section 99.820, the economic activity taxes and payments in lieu of taxes generated by such plan, project, designation, or amendment shall be restricted to paying only those redevelopment project costs contained in subparagraphs b. and c. of paragraph (c) of subdivision (15) of section 99.805 per redevelopment project.

~~[3. JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

THIRTY-SEVENTH DAY, WEDNESDAY, MARCH 10, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Blessed are the pure in heart; for they shall see God. (Matthew 5:8)

Loving God of our founders and our Eternal Father, from the busyness of daily living we pause in Your presence and wait upon You, seeking strength for the day, wisdom to make wise decisions, courage to carry our responsibilities with honor, and love to motivate all our endeavors with charity.

Should we fail in achieving some of our objectives, let not the spirit of defeat dampen our devotion to the highest goal we know; should others criticize, let not criticism get us down, but seeing the good in it, may we let it lift us up; if others misunderstand, let not bitterness cloud our best judgment; and if we can win, help us to be humble in victory.

In this moment of prayer we recharge our lives that we may face this day with high principles, real integrity, abounding goodness, and with a pure heart that sees You forever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Denisha Taylor, Ayana Witherspoon, and Jaray Jackson.

The Journal of the thirty-sixth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

THIRTY-EIGHTH DAY, THURSDAY, MARCH 11, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Blessed are the peacemakers: for they shall be called the children of God. (Matthew 5:9)

Our Creator, we know that by ourselves we are not adequate for this day, nor are we ready for our responsibilities, nor are we equal to our experiences, yet by Your wonderful grace we can become adequate, by Your spirit we can be made ready, and by Your presence we can be equal to every experience here in the People's House and on spring break.

As we join in prayer, reveal Yourself anew to us, and come please into our hearts. Then with new peace, greater power, and with better perspective, may we serve our state well this day and in all days. Help us, the representatives of our state, to see clearly, to choose wisely and to act courageously, that we may be among the true leaders of our legislative branch.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-seventh day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

THIRTY-FIRST DAY, MONDAY, MARCH 1, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Adam Schwadron.

Eternal G-d, open my lips so that my mouth may declare Your glory.

Almighty G-d, we thank You for this wonderful day. We thank You for the safe travels that brought us here together. We thank You for the ability to serve the people of Missouri.

Almighty G-d, we are humbled before You. We ask that You provide the strength and courage to make wise decisions as we continue on the people's work. Bring forth to this body an emanation of Thy divine wisdom. Open our hearts and minds so that we may work together and we ask that You bless us as we strive for success in our endeavors.

Almighty G-d, we ask You to look over this body and all who assist in its operations. Guide us, protect us, sanctify us.

To all that are near, may the Lord bless you and keep you. May the Lord's countenance shine upon you and be gracious to you. May the Lord lift His face unto you and give you peace.

And together the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

THIRTY-SECOND DAY, TUESDAY, MARCH 2, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Rejoice, and be exceeding glad: for you are the salt of the earth. (Matthew 5:12,13)

O Almighty and Creator of all, who is above us yet within us, far off yet very near – nearer than breathing and closer than our hands and feet – we bow in Your presence with hearts filled with gratitude because You have been so wonderfully good to us and our state.

We are what we are and we have what we have not because we deserve it, but because Your goodness has blessed our days, and Your spirit has let us along the way into this historic chamber today.

We thank You for these men and women who are giving themselves in real and deep devotion to our state, who are seeking to put justice above injustice, good will above ill will, principle above prejudice, and liberty above license. May these representatives continue to have the courage of their convictions and callings so they do not fail or despair.

Now bless our state with Your favor and these members with Your spirit. Together may we be channels for peace and progress.

And the House says, “Amen!”

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-first day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

THIRTY-THIRD DAY, Wednesday, March 3, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

You are the light of the world. (Matthew 5:14)

Eternal God, our Creator, whose truths endure forever, whose love never fails, and whose mercy is from everlasting to everlasting, we come to You with minds aglow with Your presence and with hearts aflame with the desire to serve You, our State, and our fellow citizens.

In the quiet of this moment, help us to hear Your still small voice, which alone can change our attitude from fear to faith, from caution to courage and from darkness to light. Together may we abide in the confidence of Your sustaining strength and in the peace of Your supporting presence in the People's House.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-second day was approved as printed by the following vote:

To protect the rights of the family and the child named in the report as a victim, the children's division shall establish guidelines which will ensure that any disclosure of information concerning the abuse and neglect involving that child is made only to persons or agencies that have a right to such information. The division may require persons to make written requests for access to records maintained by the division. The division shall only release information to persons who have a right to such information. The division shall notify persons receiving information pursuant to subdivisions (2), (7), (8) and (9) of subsection 2 of this section of the purpose for which the information is released and of the penalties for unauthorized dissemination of information. Prior to the release of any identifying information, the director shall require the researcher to present a plan for maintaining the confidentiality of the identifying information. The researcher shall be prohibited from releasing the identifying information of individual cases; ~~and~~

(14) Appropriate staff of the United States Department of Defense including, but not limited to, authorized family advocacy program staff or any other staff authorized to receive and respond to reports requested under 10 U.S.C. (15) The state registrar of vital statistics, or his or her designee, but the information made available shall be limited to identifying information only for the purposes of providing birth record information under section 210.157.

3. Only the following persons shall have access to records maintained by the division pursuant to section 210.152 for which the division has received a report of child abuse and neglect and which the division has determined that there is insufficient evidence or in which the division proceeded with the family assessment and services approach:

JOURNAL OF THE HOUSE

[CORRECTED]

First Regular Session, 101st GENERAL ASSEMBLY

THIRTY-FOURTH DAY, THURSDAY, MARCH 4, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

This is my commandment, that ye love one another, even as I have loved you. (John 15:12)

O God, who are the source of every noble thought and the goal of every worthy aspiration, we pause in Your presence this morning, praying that humbly and sincerely we may receive Your spirit anew into our needy hearts. Grant that in the midst of boring meetings and demanding duties we may be sustained by Your presence, supported by Your grace, and strengthened by Your spirit.

Lead us into the vision of those, who 200 years ago, heard Your voice speaking to them and responding found in You new life, new light, and new love here in Missouri.

Inspire us again with the assurance that You are with us, and may our faith in You give us confidence to face this day with courage and to live through this session with humility. May we be forgiven as we forgive and may we love as we ought to love.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-third day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

TWENTY-SEVENTH DAY, MONDAY, FEBRUARY 22, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Mike Haffner.

Lord, as we gather here in this chamber to begin a new week, we praise You, for You are our God. We will exalt You and praise Your name, for in perfect faithfulness You have done wonderful things. There are many discussions and decisions to take place in this chamber this week. May we do it thoughtfully.

Your word says, "Do nothing from rivalry or conceit, but in humility count others more significant than yourselves." We are here to represent and ultimately make decisions for not only our districts but also for every person in the great State of Missouri. May we do that in humility with others in mind. May we be slow to speak, quick to hear, and thoughtful in every decision, so that ultimately Your will and Your glory will be revealed.

We pray these things in the name of Jesus.

And the House said, "Amen."

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Vera Burger, Robin Burger, Jackie Griffith, Steven Griffith, Danny Burger, and Blake Mosby.

The Journal of the twenty-fifth day was approved as printed by the following vote:

If a public body plans to meet by internet chat, internet message board, or other computer link, it shall post a notice of the meeting on its website in addition to its principal office and shall notify the public how to access that meeting. Reasonable notice shall include making available copies of the notice to any representative of the news media who requests notice of meetings of a particular public governmental body concurrent with the notice being made available to the members of the particular governmental body and posting the notice on a bulletin board or other prominent place which is easily accessible to the public and clearly designated for that purpose at the principal office of the body holding the meeting, or if no such office exists, at the building in which the meeting is to be held.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

TWENTY-EIGHTH DAY, TUESDAY, FEBRUARY 23, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let the word of God dwell in you richly with all wisdom. (Colossians 3:16)

Almighty God, in whose presence our anxious spirits are quieted, our nervous minds become rested, and our worried souls find peace, we wait upon You in this moment of prayer, seeking a renewal of our strength, a restoration of our patience, and a reawakening of our faith during this beautiful day.

In this time of trial and trouble, during these days of distress and disappointment, through these periods of stress and strain, we need the guidance of Your spirit and the power of Your presence. Give them to us now as we pray that our Speaker may lead our people and our State on the paths of peace, with liberty and justice for all.

Bless all the men and women who work under the dome of this Capitol. May Your spirit swell richly in their hearts as they carry out their many responsibilities, do their duties, and direct the laws of the our beloved Missouri. With the same faith of our Founding Families, may we be humble enough to hear Your voice in our hearts.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-seventh day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

TWENTY-NINTH DAY, WEDNESDAY, FEBRUARY 24, 2021

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Blessed are the merciful, for they shall obtain mercy. (Matthew 5:7)

Almighty God, the creator of all things, the sustainer of all life, and the giver of every good gift, again we bow in Your presence and in spirit kneel before the Throne of Mercy during this Lenten time. We acknowledge our selfishness, our shortcomings, and our sins. We have done that which we ought not to have done, and we have left undone that which we ought to have done. We do earnestly repent and are heartily sorry for these our misdoings. Have mercy upon us, most merciful God, we humbly beseech You. Forgive us, and in receiving Your forgiveness, may we in turn forgive one another; as we have received mercy, may we also be merciful, and as love has come to us, may love also go out from us to others.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-eighth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

THIRTIETH DAY, THURSDAY, FEBRUARY 25, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Thou shalt keep the commandments of the Lord, thy God, to walk in His ways and to fear Him. (Deuteronomy 8:6)

O Lord, our God, ruler of nations and the creator of all peoples, we come together in this solemn opening moment to unite our hearts in prayer unto You.

Continue to look with Your favor upon us and upon our beautiful state. We have become great among states and we pray that You will keep us great—in faith, fellowship, and in the fruits of our democratic life. Help us to remember that this greatness comes from You and that we are to use it in Your service and for the good of our fellow citizens.

Save us from pride and prejudice, from superficiality and superciliousness. Make us ever mindful of the needs of others and keep us resolute in our determination to promote good will among all, to produce justice for all, and to proclaim freedom to all in our show me state.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-ninth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

TWENTY-SECOND DAY, MONDAY, FEBRUARY 15, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Dan Stacy.

Let's pray together.

Dear God and Creator of the Universe as well as of each one of us, You are amazing and wonderful in all You have brought to this world for us to manage and develop. The animals are extraordinary in their design, in how they can survive in this incredibly frigid weather. Your changing climate in days and seasons is wonderful to see as well.

Forgive us when we don't honor You or each other with our words and our actions.

Thank You for times when we do display grace and deference toward one another.

Help us and all the citizens of Missouri to have wisdom and discernment as we negotiate these harsh weather conditions. We pray for safety in travels. As we confer together and challenge one another towards truth, help us this week to honor one another.

In Jesus' name, "Amen!"

The Pledge of Allegiance to the flag was recited.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

TWENTY-FOURTH DAY, WEDNESDAY, FEBRUARY 17, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Doug Richey.

Our gracious heavenly Father, we come before You acknowledging Your glorious kindness and provision. You have surrounded us with opportunity, just as You have surrounded us with beauty; however, just as beauty is often accompanied by difficulty, the opportunities that surround us are accompanied by costly challenges. We ask for Your help in meeting these challenges as we strive to secure the opportunities. We are not, after all, first and foremost State Representatives. We are men and women that know the reality of pain and loss, difficulty and despair, joy and comfort, and love and mercy. We desire the best for the great State of Missouri. We desire vibrant freedom and peace for our constituents, yet these desires will cost us in this Chamber and we ask for Your help in facing the cost. Please forgive us where we have failed You and our constituents. Please strengthen us when we faithfully strive to honor You and those we serve. Please direct and grant our desire for the well-being of our great State. In the name of Jesus, I pray.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

TWENTY-FIFTH DAY, THURSDAY, FEBRUARY 18, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Rest in the Lord and wait patiently for Him; fret not thyself. (Psalm 37:7)

Eternal God, our Creator, who has made us for You so that our hearts are restless until they find rest in You, we pause in silence before You as we begin the duties of another day. We would quiet our spirits in Your presence and find rest in the support of Your sustaining strength in the People's House.

Forgive our folly and our excuses, our coldness to human suffering, our indifference to those treasures of the spirit which are light and life, and our neglect of Your wise and gracious laws. So change our minds and turn our thoughts to You that we may walk in the way of Your commandments and with courage serve our state, with compassion help our people, and with confidence keep our lives committed to You during this Black History Month.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-fourth day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

NINETEENTH DAY, TUESDAY, FEBRUARY 9, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

You shall know the truth, and the truth shall make you free. (John 8:32)

Almighty God, judge of the world as Lord of all, we pause in Your presence in the midst of these busy times, lifting our spirits to You to whom all hearts are open, all desires known, and from whom no secrets are hidden. Teach us to pray that Your spirit may increasingly be a reality in our hearts and, becoming powerfully real, hold us steady and keep us steadfast, that we may not act hastily without facts but hopefully with faith and truth.

When we are distressed by the difficulties we are facing during this COVID crisis, weighed down by worry, burdened by bitterness, and disturbed by doubt, help us to be creatively concerned and with confident certainty to make decisions wisely for our good and for the protection of all.

Give our Missouri House the strength to carry on, believing that every experience that comes our way and every event that takes place we can meet with honor to ourselves, to our State, and to You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the eighteenth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

TWENTIETH DAY, WEDNESDAY, FEBRUARY 10, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Brad Hudson.

Dear Heavenly Father,

This is the day that You have made. We will rejoice and be glad in it. We will rejoice because another day means another opportunity to love, to lead, and to serve. We will be glad because of the great gifts that You have given us. Friendship, health, and strength. May we make wise decisions. May we choose the right path, and not necessarily the easy path. May we do great things, and may we do these things all while seeking Your glory, and not our own. In the mighty name of Jesus, I pray.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the nineteenth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

TWENTY-FIRST DAY, THURSDAY, FEBRUARY 11, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Commit thy works unto the Lord, and thy thoughts shall be established. (Proverbs 16:3)

Almighty creator of our souls, as we bow on this majestic House floor, grant us a realization of Your presence and the assurance that, as we face the duties of this day, You are with us. As we turn to You, may we find wisdom to make wise decisions, strength to stand for what is correct for all, and humility to motivate all for our endeavors.

May we think of You – not only at this moment – but all throughout this cold day, and from these moments may there come a confidence and a courage which will enable us to lead the state of Missouri to better days, to a greater spirit between our citizens, and to finer relationships between us, as God’s children.

And the House says, “Amen!”

INTRODUCTION

In early 2020, the COVID-19 pandemic caused many businesses in Missouri to either shutdown or limit the employees that could work there, resulting in many Missourians being laid-off. Due to this, hundreds of thousands of Missouri citizens had to enroll in Unemployment through the Missouri Department of Labor and Industrial Relations (MODOLIR). In order to help states struggling to meet the rising need for unemployment benefits, the Federal government provided for additional assistance through the Lost Wage Assistance program, Pandemic Unemployment Assistance, Pandemic Emergency Unemployment Compensation, and the supplemental Federal Pandemic Unemployment Compensation.

The Division of Employment Security (DES) within the Department of Labor paid over \$5 billion in unemployment benefits to Missouri citizens in 2020, using a combination of state and federal funds. Currently, approximately 3% of the total amount has been classified as an overpayment of benefits. DES has sent billing statements to collect the overpayments from over 40,000 Missouri citizens.

To inquire on this situation, the Special Committee on Government Oversight held a public hearing on February 2, 2021, where Director Anna Hui of the Department of Labor testified in front of the Committee. The Committee also invited members of the public to testify as to how this situation has affected them.

SUMMARY OF PUBLIC TESTIMONY

At the February 2, 2021, hearing, the Special Committee on Government Oversight heard testimony from Director Anna Hui regarding the unemployment overpayments by the Department of Labor and the Department's subsequent attempts to recoup the money from the unemployed Missourians who received the benefits. Director Hui explained to the committee the overview of the unemployment benefits program, the increase of the participants in the program in 2020, and the data involving the overpayments made in 2020. The Committee also heard and reviewed testimony from the Public as to how they and their fellow constituents have been affected by DES's demands for them to reimburse DES the funds paid out.

Director Hui noted that, since the COVID-19 pandemic ramped up starting March of 2020, the number of individuals who were paid unemployment compensation in the United States peaked a 31.4 million people. In Missouri, the monthly initial claims significantly increased to over 300,000 in 2020, compared to 2019 where the monthly initial claims were less than 50,000. More than half of the claimants that filed in 2020 were new filers. She further stated that, when distributing funds, the goal was get the money out so that it could be injected into the economy in hopes to increase stabilization.

Additionally, Director Hui stated that overpayments are a regular part of the unemployment program. However, due to the significant increase in the participants of the program, the amount of overpayments (while lower than last year percentage-wise) is significantly larger in quantity of funds. In 2019, DES reports that the overpayment rate of unemployment benefits was 5.3% of the approximately \$236 million of unemployment benefits paid that year. In 2020 however, while the overpayment rate was just under 3%, it was out of the over \$5 billion of unemployment benefits paid that year. Approximately \$150 million of overpayments have occurred in Missouri in 2020. Director Hui testified that this number may go up as more data comes into their office. While she did not have the complete breakdown of the overpayment funds, Director Hui did testify that she believed that majority of the \$150 million was federal money.

DES has requested approximately 46,000 Missouri citizens to pay back over \$150 million in overpayments. Director Hui testified that DES is required by state statute to collect overpayments and provided various documents to show how DES give notice to those who have received overpayments in Missouri. She further stated that the Department would be willing to work with those who received the money to set up a payment plan if they contact them. In response to questions by the Committee, the Director clarified that, while the state has the ability to waive the federal portion of the overpayments, the state portion of the overpayments are governed by statute. She further stated that the directive from the Governor's office has been to collect on all the overpayments.

During the hearing, Chair Taylor requested the following supplemental data from Director Hui:

- (1) Breakdown of which portions of the overpayments are federal and state money; and
- (2) A geographical breakdown of how much of the total amount of the overpayments are owed by the population across Missouri

After Director Hui's testimony, the committee also invited members of the public to testify on how they have been affected due to DES demanding the collection of the overpayments for 2020. There were testimonies on how the amount of overpayments owed by individuals ranged from a couple hundred dollars to a couple thousand dollars,

and one witness testified that she was a school bus driver and received a letter that she had to pay back \$13,000 in overpayments. There were testimonies from witnesses that stated they attempted to contact the Department to discuss this issue but were put on hold for hours just to receive contradictory information. Furthermore, there was testimony that witnesses had just started working again and DES is going to start garnishing their checks. Multiple witnesses stated that they enrolled in unemployment because they were encouraged to by the government and that they did what they were supposed to do. Witnesses felt like they should not be penalized for DES over paying them.

RECOMMENDATIONS

Based on the testimony and responses to committee questions, the committee concluded that legislative action is necessary to rectify this issue. The following bills have been introduced and would require the Department of Labor and Industrial Relations to waive overpayments of unemployment benefits that stem from Federal funds:

- (1) HB 1085
- (2) HB 1083
- (3) HB 1050
- (4) HB 1036
- (5) HB 1035
- (6) HB 873
- (7) HCR 30
- (8) HB 1097

The committee is confident that they will be brought to the General Assembly and ultimately through the Senate and Governor's office as this issue has weighed heavily on many Missouri citizens.

The committee requested supplemental information from Director Hui at the hearing and, as of February 10, 2021, has not received such information yet. Therefore, the committee also recommends that Department of Labor and Industrial Relations provide the information that was requested during the hearing.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

FOURTEENTH DAY, MONDAY, FEBRUARY 1, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Dirk Deaton.

Lord, we come before You this day and declare our desperate and unending need for You. I pray that all members of this body, myself included, would serve with integrity, lead with courage, and act with malice towards none and charity towards all. Lord, let us again commit to you this day that we resolve to execute the powers of our office with honor and dignity. Your Word tells us that, "Pride goeth before destruction," and as a result we recognize that the seed of every sin is in every one of us. Therefore, we pray as You taught us and ask that You "forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, forever. Amen."

The Pledge of Allegiance to the flag was recited.

The Journal of the twelfth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

FIFTEENTH DAY, TUESDAY, FEBRUARY 2, 2021

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Prayer by Representative Adam Schnelting.

Heavenly Father,

As we gather in this chamber to do the people's business, we ask that you grant us wisdom and understanding, and knowledge and insight to effectively execute the duties to which our stations call us. Grant us success in achieving our mutually shared goal of helping our neighbors and improving the lives of all Missourians.

We pray that in these historic times You grant each of us the sagacity essential for statesmanship. Lead us in the paths that honor You, honor our commitment to our Constitution, honor our constituents, and honor our American way of life.

May justice always reign in our land, and as John Adams once prayed, "May none but Honest and Wise Men ever rule under This Roof."

I pray this in Jesus' name. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the fourteenth day was approved as printed by the following vote:

MESSAGE FROM THE CHIEF JUSTICE

The following message was received from the Honorable George W. Draper III, Chief Justice of the Supreme Court of Missouri.

2021 STATE OF THE JUDICIARY Missouri Chief Justice George W. Draper III

Due to COVID-19 precautions, this address was delivered virtually Tuesday morning, February 2, 2021, from the Supreme Court of Missouri in Jefferson City, Missouri.

To all the statewide office holders, members of the 101st General Assembly, executive branch officials and the judicial branch: Despite this year's unusual format, thank you for your fidelity to cooperation among the branches of our state's government and for this opportunity to present the state of our judiciary.

My parents were public servants, and my wife Judy, daughter Chelsea and I have spent the great majority of our entire careers in the service of the public. For me, that includes nearly four decades as an employee of the people of the state of Missouri. I know you understand the rewards of public service as well, or you would not be here today.

In this, our state's bicentennial year, we stand at a crossroads of history. We can look back at the accomplishments of past Missourians and consider the future we want to build for our great state. And what a crossroads it has proven to be.

Never could any of us have imagined these stressful times, trying to maintain a sense of normalcy in our public work in the midst of national strife and a global pandemic. Our lives are not, and probably never will be, the same. To those who have lost family, friends, jobs and have themselves suffered illness as a result of COVID-19, I offer my sincerest condolences.

Bicentennial

For those of you who were here last year, you may recall I began by enlightening you about my personal history. In honor of our state's bicentennial, today let me share with you some history of Missouri courts. Our state judicial branch first was formed when Missouri adopted its first state constitution in July 1820. The state's first governor appointed the first Supreme Court judges in November 1820, and the Court held its first session in March 1821 in the town of Franklin. All of this occurred before Missouri officially entered the union in August 1821, under the Missouri Compromise. As the population grew, so did the number of judges on the Court, increasing from three to five in 1872 and the present number of seven in 1890. Once an intermediate appellate court became necessary, the first was established in 1875 in St. Louis, with expansion to Kansas City in 1884 and Springfield in 1909.

It might surprise you that the Court was homeless for nearly 40 years. The constitution originally required Supreme Court judges to "ride the circuit," traveling to hear cases throughout the year. In 1875, the constitution required the Court to sit only in Jefferson City, and state prisoners built the first Supreme Court Building in 1878 approximately where the department of transportation now sits. By 1905, construction was underway on our red brick building. Excess appropriations from the 1904 World's Fair in St. Louis were used to complete the project, and the Court held its first oral arguments in the new building we now call home in October 1907.

As is the case with most history, not all of it was positive – especially during the turbulent years of the Civil War. In February 1861, the legislature called for a state convention, which decided Missouri would stay in the Union. Just five months later, after the pro-secessionist governor fled the capitol, the state convention delegates declared all statewide offices vacant and elected Hamilton Gamble – a former state Supreme Court judge – to be governor of the state's Union-backed provisional government. During this time, courts were suspended, government buildings were burned, and a number of judges – including the Supreme Court's three judges – vacated their offices after refusing to take a loyalty oath. The 1865 state constitution required an "ironclad" loyalty oath of all Missourians who wished

to vote, teach, be trustee of a corporation – or hold public office – to swear they never had supported the Confederate States in any way or even spoken in favor of it. The United States Supreme Court eventually found such oaths unconstitutional, and by 1870, the oath requirement was removed from Missouri’s constitution.

Increased diversity

Even before the Civil War, Hamilton Gamble had earned a unique place in history. Precipitating the war was the freedom suit involving the fate of Dred Scott. When the case came before the Supreme Court of Missouri, all three judges – including Hamilton Gamble – were slaveholders. Under longstanding Missouri precedent, the act of taking an enslaved person to a free territory resulted in the person’s emancipation. In their majority opinion, two judges overruled this precedent and denied Mr. Scott his freedom. Judge Gamble, however, dissented, saying the Court should follow the law and recognize Scott’s freedom. He wrote: “... in my judgment, there can be no safe basis for judicial decision, but in those principles which are immutable.” That was in 1852. Five years later, the United States Supreme Court dismissed a similar federal appeal, holding regardless of whether Mr. Scott was free or enslaved, as a Negro he was not an American citizen and could not sue in federal court.

Today, all those born in America are citizens regardless of the color of their skin. They can become lawyers, judges, legislators, even president or vice president. I understand your 101st General Assembly is the most diverse in history, more closely representing the Missourians back home you are here to serve. In the judiciary, our diversity is improving as well. Of the judges recently appointed under Missouri’s nonpartisan court plan, 14 have been women, judges of color, or both.

However, as events from the Ferguson protests through the racial unrest during the past year have shown, we still have work to do as a society. As designed, our legislative and executive branches are where we can take our arguments for changes in law and policy, and our judicial branch is where we take our legal disputes for a peaceable resolution. But our judicial branch does not work as intended if we are not trusted to provide a fair and impartial forum for *all people* to have their cases heard and decided.

In recognition of this constitutional imperative, we also continue the courts’ efforts to address implicit bias and institutional racism that exist systemically throughout our country. As of July 2019, all lawyers licensed in Missouri are required to include at least one hour of implicit bias training in their 15 hours of annual continuing legal education. Missouri judges and court staff already were required to complete annual implicit bias training. Indeed, some may say ethics and morals cannot be legislated, but just like all of you in our great General Assembly are working to ensure citizens respect each other in person, the courts of Missouri will continue to prescribe conduct commensurate with the highest principles of professionalism and good moral character. Through our efforts, we hope to build a culture of respect and fairness, and a judicial system in which all persons are truly equal under the law. The people of Missouri deserve no less.

1918 – War and Pandemic

The Civil War, of course, was not the only moment in history with a profound impact on Missouri. Consider 1918, when most statewide office holders were required to register for the draft, including 39-year-old Supreme Court Judge Fred Williams. And as if the war were not enough, the world was also in the grips of an influenza pandemic. Ultimately, more than 675,000 people in the United States died, among at least 50 million deaths worldwide.

Doctors and the federal government struggled to explain its cause, how best to mitigate its spread, the best treatments and whether, once infected, someone could be reinfected. As cases spiked, schools, churches and public amusement venues were closed, and public gatherings were banned. Sound familiar yet? At least one Missouri town required those infected with influenza to obtain a physician’s certificate proving they had recovered before they could venture into public. At least two circuit courts, after conferring with local attorneys, adjourned their dockets. As one headline declared: “Too Much ‘Flu’ to Hold Court.” As the influenza abated, restrictions were eased and finally lifted around the turn of the year.

COVID-19 Pandemic

And that brings us to today. It is impossible to talk about the last year, let alone deliver this state of the judiciary address, without recognizing the impact of the COVID-19 pandemic. Like other parts of government, Missouri's courts had to find ways to adjust and innovate in an incredibly short period of time. By mid-March, national and state emergencies were declared, and your Supreme Court of Missouri issued its first order addressing the COVID-19 pandemic. That order and every set of operational directives issued since have made one principle clear: "The Courts of the State of Missouri shall remain open."

But not all our communities were equally impacted. So my colleagues and I have tried to strike an appropriate balance between empowering local courts to conduct necessary business and the need to protect the health and welfare of witnesses, victims, jurors, attorneys, judicial employees and all others involved in court proceedings. So yes, in-person appearances may have been suspended, while others have been conducted remotely, but our courts have remained available.

In fact, Missouri's legal system was better prepared than those in other states to handle this pandemic's massive disruptions. We have spent decades creating statewide technology infrastructure, allowing continued electronic case filings and court determinations when in-person proceedings are not required. Thank you for your continued investments in this technology. It is not only the way we all do business, but as the pandemic has shown, it can also be a lifeline for Missouri citizens.

Two groups deserve huge credit for their efforts to keep our courts operating. Our state courts administrator's office – and in particular its IT professionals – did yeoman's work to get more than 400 judicial officers and thousands of court employees online, working safely from remote locations and using Webex to conduct court proceedings.

And the presiding judges of our 46 judicial circuits and the chief judges of our three appellate districts collaborated with other local leaders to determine how best to proceed given local circumstances. The challenges have been especially difficult on our circuit courts, where hyperlocalized conditions might mean different buildings in the circuit are operating in different proscribed phases at any given time.

At the Supreme Court of Missouri, our work has continued uninterrupted. We had 20 days of oral argument last year, only two days fewer than in 2019. We finished our March sessions just before the pandemic hit, and our April 14 argument was our first ever conducted by Webex. Although I think we've become more adept at these remote arguments, the most common phrase uttered still may be "You're on mute."

While enduring illness, isolation and quarantines, judicial personnel have continued to process and hear cases in remarkably innovative ways. Cases took a dip in mid-March, but after our circuit courts began implementing the statewide operational guidelines in May, their ratio of cases disposed to cases filed for the remainder of the year was only 5.6 percent less than what their ratio had been in January. The other good news is that, for the cases with designated time standards, our circuit courts timely resolved nearly 91 percent of them ... not even 2 percent below the average from the prior four years! This is in no small part thanks to the courage and dedication of the court staff in all your local circuits – let's give them a big round of applause!

Some circuit courts were able to resume grand jury proceedings and petit jury trials with pandemic precautions in place. For example, after the Jackson County circuit court modified protocols and increased health and safety measures, 93 percent of its jurors reported feeling "very" or "fairly" safe at the courthouse. Similar protocols are in use elsewhere in the state. Since June, jury trials have been held in at least Boone, Butler, Cass, Christian, Greene, Henry, Phelps, Pulaski, St. Charles, Webster and Wright counties. To facilitate social distancing, juries have been selected in locations ranging from schools and community auditoriums to National Guard armories to churches and even convention centers. In a Greene County civil jury trial held at Bass Pro's White River Conference Center, a large stuffed bear in the room's woodsy décor appeared to be the only audience member.

Our directives encourage local courts to maximize technology when possible. Many judges have held a number of hearings and other proceedings remotely. And some are experimenting with technology for trials as well. For example, the Christian County circuit court successfully held at least one hybrid jury trial in a civil case last fall, with jurors and lawyers in person and some witnesses testifying via Zoom. And at the Supreme Court, we have continued to provide audio streams of our arguments, both live and archived, as we have done for most of the last two decades.

Other court updates

While the pandemic has consumed much of our time and attention, it has not distracted us from continuing our other work. I am proud to report the Treatment Court Coordinating Commission approved standards by which every treatment court case in the state should operate. Those guidelines are being implemented, and all but one of our 46 judicial circuits now have some treatment court programs. Since their inception nearly 30 years ago, our programs statewide have had more than 23,650 graduates and more than 1,100 babies born to female treatment court participants. Of those, 1,020 were born drug free.

Our treatment court cases are also continuing during the COVID-19 crisis by way of remote technology. Boone County increased its treatment court culture of honesty during the pandemic by using telehealth for participants to interact with providers. In fact, Boone County has found remote technology has reduced impediments to participation by those who lack reliable transportation to the courthouse, increasing the likelihood for successful long-term treatment. The Jefferson County circuit court even held a Zoom graduation and sent graduation certificates by mail.

With respect to our criminal justice system, we held an initial leadership summit in late February 2020. We had planned to present a series of “Leading Change in Criminal Justice” follow-up meetings with assistance from the Missouri Justice Reinvestment Initiative, the National Center for State Courts, and the State Judicial Institute. The pandemic caused us to shift the series to a virtual format, featuring experts from around the nation. These virtual meetings have been occurring since August, with participants from 28 circuits so far including judges, prosecutors, defense attorneys, law enforcement officials, school administrators and treatment providers.

Another ongoing project is my effort to improve the security of our state’s courthouses. The project is led by the Supreme Court’s chief marshal, Robert Stieffermann, whom we coaxed out of retirement from a stellar career of more than 36 years with our state’s highway patrol, beginning as a patrol officer in Iron, Madison, and Wayne counties and culminating at the rank of captain and as director of the patrol headquarters’ professional standards division.

Unfortunately, attention to security too often comes only in hindsight – whether it be a bombing of a public building in Oklahoma City or New York City; a bombing on the streets of Boston or Nashville; or active shooter incidents in churches, schools, malls, or concert venues in cities big and small throughout our nation. While COVID-19 put a damper on many things – including, thankfully, the number of active shooter incidents – the danger remains, and there still exists a need for preparedness against threats posed by deranged and menacing individuals in our society.

Although the pandemic stifled completion of our task, it is worth advising you of our preliminary findings. Our courts have identified critical needs for facility upgrades and additional security equipment, as well as additional full-time marshals and deputy marshals statewide. Our security staff need additional training and more standardized compensation. Our judges need to ensure their privacy can be protected, and we need to be able to protect judges and their families against credible threats of violence.

The bottom line is this: No public servant – whether a legislator, executive officer or judge, or any of our dedicated employees – should have any reason to be fearful in their place of work. Nor should their families be fearful at home. It is equally critical for *all* of us to protect our buildings and to ensure the safety of the many members of the public who have occasion to come into our buildings and courthouses for any number of reasons. As the tragic event in our nation’s capitol building last month made painfully clear, security is an investment we cannot afford *not* to make. It is incumbent on *all* institutions to employ what our Marine Corps designate as a “left of bang principle” regarding security.

One final point of business, and another nod to our history. Next month, the longest serving judge currently on the Supreme Court of Missouri, and only the second woman ever appointed to the Court, will be leaving us. My esteemed colleague, Judge Laura Denvir Stith, has granted me the opportunity to announce her retirement from the bench after nearly 27 years of judicial service and her reentry into private life. Her resume and body of work speak for themselves, but let me remind you she will leave the Court two decades after she was appointed, she served as chief justice from July 2007 through June 2009, and she will leave a lasting legacy in the areas of ethics, gender and justice. She is a dedicated jurist. Her experience, intelligence, diligence, and wisdom will be missed. Please join me in wishing her all the best in her retirement.

Conclusion

Never could I have imagined a year more tumultuous than the last. As individuals, as professionals, and as a nation, we have been tested to our limits. Collectively, we have suffered, while attempting to juggle work and school from home. The pandemic has caused not only lingering illness and death but also isolation that, for some, has been too much to bear.

But as we stand here today in Missouri, on the bridge between our last two hundred years and the next, remember how much we have overcome, and how well our ancestors persevered – indeed, thrived – to bring us to where we are today. Our strong institutions and collective history prove that necessity, ingenuity, and intestinal fortitude bolster the human character and ensure our survival. So I am certain the perspective of the past provides strength to endure our present time of pain and gives us hope for our future. Through continued communication and collaboration, I know that future will be bright.

May you all stay healthy and well. Thank you for your public service.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

SEVENTEENTH DAY, THURSDAY, FEBRUARY 4, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Jered Taylor.

Lord, as we bow our heads to pray, we take time out of our busy schedules to recognize the power of prayer and the importance of seeking You and Your will in our lives. As a legislative body, we make decisions about the direction of our state and how those decisions will impact the lives of those we represent. Lord, we pray for wisdom in making these decisions, and give us a clear vision of Your will. As decision makers of this great state, we pray for humility; it's too easy to forget about other people's problems and focus on ourselves. We know there are a lot of people hurting and in despair for a multitude of reasons. We pray for Your comfort in their lives and we ask that we may be used by You to comfort them. Our desire to be used by You, to glorify You in everything we say and do. Lord, guide us and protect us, protect Missourians and bring them peace and comfort during this time. In Your name we pray.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixteenth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

NINTH DAY, Monday, January 25, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Brad Hudson.

Father, as we come to You today, may we do so with grateful hearts. Having been selected by our neighbors to represent their interests in state government is an honor we should never take for granted. As we make decisions, shape policy, and conduct business, may we do so remembering the counsel given in Your Word, "Be ye wise as serpents and harmless as doves." May we work tirelessly and stand fearlessly for what we know to be right all while extending to everyone, including our opponents, the courtesy and respect that they deserve. Please bless our staff, our members, our Speaker, and God bless the great state of Missouri. In the mighty name of Jesus, we pray.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

TENTH DAY, TUESDAY, JANUARY 26, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Doug Richey.

Heavenly Father, we realize, as we stand here, we face limited resources, limited time, and even limited understanding of not only the details of the day but also the details for tomorrow. So we turn our attention to You, the one who is limitless, the one who has the provision necessary, providing the wisdom needed to face the day's challenges and to prepare for tomorrow's. We ask for Your help; we ask for Your wisdom; and we ask for Your help that we may stand faithful to the task. In Jesus' name I pray.

Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the ninth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

ELEVENTH DAY, WEDNESDAY, JANUARY 27, 2021

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Prayer by Representative Ben Baker.

Father, we thank You for this wonderful day to live and to serve You. Before we ask You for anything, I just want to thank You for who You are and what You've done. As it says in Your word that "You are before all things, and in You all things hold together," we know that before time began You knew we would be here today. You knew the turmoil that is present in our world today. Therefore, You know just how to guide us to navigate the troubles of our day and glorify You in all that we do.

We recognize that one of Your attributes is that You are just. You are infinitely, unchangeably right and perfect in all that You do. Father, we are in awe of the infinite beauty and greatness of Your perfection. However, we also recognize that we are imperfect and fundamentally flawed by sin yet still bear Your image. Thank you for sending Jesus so that we could be cleansed of our sin and walk in newness of life.

We soberly realize that we are in desperate need of Your help. We cannot carry out our responsibilities with true success without You, Lord. We lean upon You for wisdom, for grace, for patience to be what You have called us to be and to do what You have called us to do.

So lead us to make decisions today that honor You and the people that we serve in the precious name of Jesus.

Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the tenth day was approved as printed by the following vote:

Any answer or motion shall be in writing, signed by the respondent and his counsel, if he has one, and shall be limited to the following:

(1) An admission or denial under oath, of the allegations set forth in the complaint, including negative and affirmative defenses, and any other relevant information, including supporting evidence which the respondent may desire to submit. B. The Committee shall require that testimony be given under oath or affirmation. The form of the oath or affirmation shall be: "Do you solemnly swear (or affirm) that the testimony you will give before this Committee in the matter now under consideration will be the truth, the whole truth, and nothing but the truth (so help you God)?" The oath or affirmation shall be administered by the Chair or Committee member designated by him to administer oaths. The Committee may take testimony from the complainant, alleged victim, respondent, and any other witness at the discretion of the Chair. The complainant, alleged victim, and respondent may submit a list of proposed witnesses to the Chair for consideration at least twenty-four hours in advance of the hearing. Only the Committee members, or special counsel for the Committee, may question a witness at the [preliminary] **primary** hearing.

C. At the conclusion of the [preliminary] **primary** hearing, a majority of the Committee shall vote by roll call to:

If the respondent fails to object in writing to the Committee's recommendation, he or she shall be deemed to waive any and all rights to further proceedings before the Committee on Ethics and the Committee report shall be filed by the Committee in the form of a House Resolution with the Clerk of the House. The recommendation shall also be published in the House Journal and automatically placed on the House Resolutions Calendar without further referral. If the respondent objects in writing to the recommendation within the time set forth by the Committee, the Committee shall proceed to a formal hearing, which shall take place no later than ninety days after the receipt of such objection or as scheduled or extended by a majority vote of the Committee.**

RULE 9. Formal Hearings

A. A formal hearing shall be held on the record to receive evidence upon which to base findings, conclusions, and recommendations, if any, to the House; except that, such hearing may be closed at the discretion of the Committee. The Committee may require, by subpoena or otherwise, or by subpoena duces tecum, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers, electronic communications, and documents as it deems necessary. The Committee may issue and enforce subpoenas as allowed by law.

B. Prior to setting a hearing date and issuing subpoenas for witnesses, the Committee shall resolve the scope and purpose of the hearings. A copy of this statement of scope and purpose shall be furnished to all witnesses. During the course of the hearings the Committee may expand or contract the scope in light of evidence received.

C. The order of the formal hearing shall be as follows:

- (1) The Chair shall open the hearing by stating the Committee's authority to conduct the investigation, the purpose of the investigation and its scope.

(2) The complainant and the respondent or counsel for the complainant and respondent shall be permitted to make opening statements. Such opening statements shall not exceed fifteen minutes each.

(3) Testimony from witnesses and other evidence pertinent to the matter under investigation shall be received in the following order:

- (a) Witnesses and other evidence offered by the complainant;
 - (b) Witnesses and other evidence offered by the respondent;
 - (c) Witnesses and other evidence offered by the Committee; and
 - (d) Rebuttal witnesses.
- (4) The Chair, or his designee, and the Committee members may question any witness.

D. Testimony of all witnesses shall be taken under oath. The form of the oath shall be: "Do you solemnly swear (or affirm) that the testimony you will give before this Committee in the matter now under consideration will be the truth, the whole truth, and nothing but the truth (so help you God)?" The oath shall be administered by the Chair or Committee member designated by him to administer oaths.

RULE 10. Admissibility of Evidence

A. The object of the hearings shall be to ascertain the truth. Any evidence that is relevant and probative shall be admissible, unless privileged or unless the Constitution otherwise requires its exclusion. Objections going only to the weight that should be given to evidence will not justify its exclusion.

B. The Chair or other member presiding shall rule upon any question of admissibility of testimony or evidence presented to the Committee. The Chair or other member presiding may limit the presentation of repetitious evidence. Rulings shall be final unless reversed or modified by a majority vote of the Committee members present.

C. At a formal hearing, the burden of proof is on the complainant with respect to each count to establish the facts alleged therein clearly and convincingly by the evidence that he introduces.

RULE 11. Witnesses

A. A subpoena to a witness shall be served sufficiently in advance of his scheduled appearance to allow him a reasonable period of time, as determined by the Committee, to prepare for the hearing and to employ counsel should he so desire.

B. Except as otherwise specifically authorized by the Chair, no member of the Committee or staff shall make public the name of any witness subpoenaed by the Committee before his scheduled appearance.

C. Witnesses at formal hearings may be accompanied by their counsel for the purpose of advising them concerning their constitutional rights and to raise objections to procedures or to the admissibility of testimony and evidence.

D. Chair may limit such testimony when, in his discretion, he finds the testimony is repetitious, cumulative, or irrelevant.

E. Each witness subpoenaed by the Committee shall be reimbursed for those reasonable expenses approved by the Committee.

F. Each witness shall be furnished a printed copy of the Rules of Procedure and the pertinent provisions of the Rules of the House applicable to the rights of witnesses.

G. Within ten calendar days before the scheduled formal hearing, each party shall notify the Committee and all other parties to the complaint, in writing, of the witnesses that are to appear at the formal hearing. Within five calendar days before the scheduled formal hearing, each party shall notify the Committee and all other parties to the complaint, in writing, of any proposed rebuttal witnesses that are to appear on his behalf. The Chair may exercise discretion in allowing any party's good faith request for additional witnesses that are proposed after the expiration of these time limits, or in denying any witness request made by a party if such request is not made in good faith.

RULE 12. Findings, Conclusions and Recommendations

A. At the completion of the ~~[preliminary]~~ **primary** hearing or formal hearings, the Committee, by a majority vote of its members, shall, within forty-five (45) days, adopt a report stating its findings and conclusions on the complaint. The report shall be filed with the Chief Clerk of the House, **with a copy delivered to the office of the Speaker, office of the Majority Floor Leader, and office of the Minority Floor Leader**, and shall be printed in the House Journal. In the event the Committee finds that the complaint is not well-founded, the report shall so state, and shall include a copy of a Letter of Reproval if the Committee authorized such sanction. In the event the Committee finds that the complaint is well-founded, the report shall state the Committee's recommendation in a resolution appended thereto.

B. The resolution shall state the Committee's findings and conclusions on each allegation in the complaint with the recommendation that the House take one of the following actions:

- (1) Letter of reproof;
- (2) Reprimand;
- (3) Censure; or
- (4) Expulsion.

C. The chair or counsel for the Committee shall redact from its findings, conclusions, and recommendations, the name or names and any identifying information of any person or persons alleged to be a victim of sexual harassment or sexual misconduct by a member. An alleged victim may consent to the release of his or her name or other identifying information by providing a written request to the chair of the Committee.

D. The Committee's recommendation may also require payment of restitution and costs incurred in the investigation, or impose any other sanction that the Committee deems just and proper under the circumstances, but the amount of restitution and costs shall not exceed the costs incurred by the House related to the complaint. Any assessment of fines or restitution and costs shall be paid in full by the member no later than thirty days after the adoption of a recommendation by the House of Representatives. If the member fails to pay in full by the expiration of the thirty-day time period, then the Chief Clerk may deduct from the member's salary an appropriate monthly sum to repay the full amount due by the conclusion of the member's current term of office.

RULE 13. Matters Not Covered in These Rules of Procedure

The Rules of Procedure of the United States House of Representatives Committee on Ethics of the 116th Congress shall be taken as guidelines in deciding questions, issues, and other matters not otherwise provided for in these Rules of Procedure, except that the Rules of the Missouri House of Representatives governing the party representation on committees shall apply to this Committee.

RULE 14. Depositions

The Chair of the Committee, upon consultation with the Vice Chair, may order the taking of depositions, under the authority of Section 21.380, RSMo, by a member or counsel of the Committee. Witnesses may be accompanied at a deposition by counsel to advise the witnesses of their rights. Only members of the Committee, Committee staff designated by the Chair or Vice Chair, an official reporter, the witness, and the witness's counsel are permitted to attend. Depositions may be taken at any stage of the proceedings and may be used as evidence submitted by the Committee on Ethics.

RULE 15. Limitations on Scope and Authority

Nothing contained in these rules shall be construed to limit the authority of the House of Representatives as enumerated under Article III, Section 18, of the Constitution of the state of Missouri.

MESSAGES FROM THE GOVERNOR

The following proclamation was received from His Excellency, Governor Michael L. Parson.

PROCLAMATION

WHEREAS, Article IV, Section 27, authorizes the Governor to control the rate at which any appropriation is expended by allotment and, further, authorizes the Governor to reduce the expenditures of the state or any of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based; and

WHEREAS, in addition to the power to control the rate of expenditure established in Article IV, Section 27, three percent of each appropriation, with the exception of amounts for personal service to pay salaries fixed by law, shall be set aside pursuant to section 33.290, RSMo, as a reserve fund and not subject to expenditure except with the approval of the Governor; and

WHEREAS, Article IV, Section 27.2, provides that the Governor notify the General Assembly “whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

I further notify the General Assembly, pursuant to Article IV, Section 27.3 of the Missouri Constitution, that I have taken no action to permanently reduce one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based in the fiscal year 2021 budget.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

TWELFTH DAY, THURSDAY, JANUARY 28, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Brad Hudson.

Dear Heavenly Father,

Let not these offices that we hold nor this fine building that we work in cause us to forget the fact that we are sinners in need of a Savior--human beings subject to failure, flaws, and temptation. It is because of grace that we have been placed here by Your strong and sovereign hand. Please help us to extend grace to others in every conversation. Please help us to show strength as we consider the issues of our day. Some day we will leave these offices and this fine building to others who will follow in our footsteps. Some day we will stand before You and give account for the footsteps that we've left behind. May we conduct ourselves in such a way that we will be able to give that account with joy. Please give us wisdom to make the right decisions, courage to stand for truth, and joy to be the shining lights that You have called us to be. In Jesus' name I pray.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the eleventh day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

FOURTH DAY, MONDAY, JANUARY 11, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Be strong and of good courage; be not afraid, neither be thou dismayed; for the Lord your God is with you wherever you go. (Joshua 1:9)

O God, Our Creator, our help in ages past and our hope for years to come, our guide and our inspiration in the present hour, in all reverence of mind and with true humility of spirit we lift our hearts to You, seeking strength and wisdom from Your never failing and ever faithful presence.

In this hour on the Inauguration Day, as we turn another page in the glorious history of our state, may we be strengthened with might by Your spirit that we may meet this pandemic with creative courage and become more than a match for the mood of these troubled times.

Bless our Governor and grant he may enter this new term with deeper faith, broader sympathy, higher vision, and with greater love.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

**INAUGURAL ADDRESS OF MICHAEL L. PARSON
57th GOVERNOR OF MISSOURI**

Good afternoon! Thank you everyone for being here today. Senator Schatz, thank you for the kind introduction.

I am honored to stand before you as the 57th Governor of the great State of Missouri.

I want to begin by thanking my wife Teresa, the First Lady, for her love and support through the years. She brings grace and class to this state, and I could not be more proud to call her my wife.

And my son Kelly, my daughter Stephanie, their spouses, and my six grandchildren. They are what life is all about. They make me a better person, and I love each and every one of them. I thank them for being part of my life.

I'm so grateful to also have my two brothers and the rest of my family here today.

And to the Members of the General Assembly, I want to thank you for your service. I look forward to working with you for the next four years.

To the former governors, thank you for being here as well, and thank you for your service to the people of Missouri.

I would also like to thank:

- The Missouri Supreme Court,
- Members of the Missouri Congressional Delegation,
- Members of the Cabinet,
- My staff,
- and distinguished guests.

I also want to thank my fellow Missourians who have joined us here at the Capitol, and those watching at home. Thank you for sharing this special moment.

Almost 200 years ago, the great State of Missouri was established.

This year will mark the 200th anniversary of Missouri's entry as the 24th state in the United States. What a great year to celebrate Missouri and its history, along with all its people.

As I stand here before you, I am reminded of the hard work, passion, and love so many people have for Missouri.

The countless hours people have spent to provide a strong foundation that gives so many people hope and opportunity in their lives.

As we keep building upon this foundation, we will only get stronger.

This is why Missouri is a great place to live. Why so many people have invested their lives into making Missouri a place for everyone.

When I travel across Missouri, I meet so many different people ... but regardless of where we come from, we ALL want what's best for our families and our state.

From rural areas to the big cities, Missouri offers so much to so many ... and others want to come to Missouri because of our values, our hard work, and our common sense approach.

That is the Missouri I know. That is the Missouri I love! That's why I am confident in our future.

As we closed the chapter on 2020, we all had time to reflect. There were sad times, tough times, and exciting times. And through it all ... Missourians prevailed.

Despite the challenges, the heartbeat of our state continues to pump STRONG!

We have been faced with sacrifices, uncertainty, and tragedy ... but with each moment of darkness, there seems to return a tenfold of hope.

Missourians are STRONG.

Missourians are COURAGEOUS.

Missourians are FAMILY.

The spirit of our state is composed, positive, and uplifting ... it is alive, and it is well!

As the leader of this state, it is my job to make life better for EVERY Missourian.

This State is more than my house. It is my HOME.

I will care for the unborn to the elderly, the rich to the poor ... REGARDLESS of the color of your skin.

I see each of you. I want the best for ALL of you.

It is a challenging yet incredible responsibility to lead this state.

With a great sense of duty, a thankful heart, and devotion to Missourians, I accept the position of Governor of the great state of Missouri.

Today, I have taken this oath with honor and pride.

I will serve ALL Missourians, and do everything I can to make your lives better.

I will continue working hard to give doctors and nurses the tools they need to care for Missourians.

I will continue working hard to give law enforcement officers the tools they need to keep Missourians safe.

I will continue working hard to give farmers the tools they need to succeed from sun up to sun down.

I will continue working hard to give teachers the tools they need to educate our children.

I will continue working hard each day for ALL Missourians ... and TOGETHER, we can move Missouri in a direction of hope and opportunity...

There's a spark of Missouri hope and courage born in all of us ... and what we do with it is up to us.

The work to be done is not up to me alone. It is shared by all of us.

We have seen some challenging days together ... but when it is hard to find the light, sometimes all you need is a spark to get the fire going again.

Even in the darkest times – Missouri shines on.

Sunny days ARE ahead!

It is with your strong compassion, courage, and heart that I will lead ... and we will ALL succeed.

Hard working, God-fearing, decent folks. That's who we are.

THAT is Missouri!

I am humbled and honored by the trust you have placed in me to lead this great state.

Missourians, I tell you today ... that it is OUR time. It is OUR time to preserve the American dream!

It is an honor and privilege to be the 57th Governor of the State of Missouri.

God bless you, God bless the great State of Missouri, and God bless the United States of America!

The Benediction was given by the Most Reverend Bishop W. Shawn McKnight, Diocese of Jefferson City.

The Joint Session was dissolved by President Pro Tem Schatz.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

FIFTH DAY, TUESDAY, JANUARY 12, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty. (Psalm 91:1)

O God, who is a tower of strength to all who put their trust in You, help us to turn from the noise and tension of the world, and to find peace in the assurance of Your presence. Keep us sensitive to the needs of others, understanding amid our differences, and determined to live in the spirit of harmony. May we ever be mindful of the fact that we are one family in You, and in this oneness may we do our work and live our lives.

Our minds and hearts reach out in morning prayer for those who serve in this House. Keep them strong from temptation, resolute in duty, and faithful to You, who is always with them and with us. Lord God of Hosts, lest we forget You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

SIXTH DAY, WEDNESDAY, JANUARY 13, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let the words of my mouth, and the mediation of my heart, be acceptable in Thy sight, O Lord, my strength, and my Redeemer. (Psalm 19:14)

Our Father who art in heaven and on earth, we pause in Your presence once again to acknowledge our deep dependence upon You, and to offer unto You the devotion of our hearts. Make plain to us what we should do this day and give us courage to walk in that way. In all our thinking, in all our speaking, in all our actions, may Your love motivate us, Your strength support us, and Your Spirit guide us for the good of our great state and for the well-being of all Missourians during these tense hours and times.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifth day was approved as printed by the following vote:

NOW THEREFORE BE IT RESOLVED that the Missouri House of Representatives, One Hundred First General Assembly, adopt a temporary rule designating a four-hour limitation on the total time of floor debate allowed for the purpose of considering House Complaint 1. Such time shall be divided equally between, and controlled by, the majority floor leader and the minority floor leader, or their respective designees. The majority floor leader shall have the right to have the final one minute of designated time. BE IT FURTHER RESOLVED that House Rule 93 prohibits members from voting on questions in which they have a direct personal or pecuniary interest and thus, no member who is the subject of a House Ethics Complaint shall vote on such question.

On motion of Representative Plocher, **HR 67** was adopted.

HOUSE COMPLAINTS FOR THIRD READING

HC 1, relating to House Ethics Complaint No. 20-001, was taken up by Representative Eggleston.

Representative Eggleston moved that the House of Representatives third read and adopt the report by the Committee on Ethics, dated December 15, 2020.

HOUSE ETHICS COMPLAINT NO. 20-001

In the Matter of Representative Wiley Price

REPORT OF THE COMMITTEE ON ETHICS

WHEREON, the Committee on Ethics, of the Missouri House of Representatives, 100th General Assembly, pursuant to Rule 8 of House Committee Substitute for House Resolution 137, reports as follows:

1. On Monday, January 27, 2020, the administrative staff of the House of Representatives received a verbal report of a potential violation of House Policy B-5, which prohibits sexual harassment, and House Policy F-8, which prohibits amorous or romantic relationships between a representative and a House employee or intern. The report involved Representative Wiley Price (Respondent) and a House intern.

2. Immediately upon receiving the verbal report, the Chief Clerk of the House, pursuant to existing policy, retained outside counsel to investigate the complaint. Investigative counsel conducted an investigation of the complaint, which included interviewing the Respondent, intern, Respondent's legislator assistant (Witness 1), and another representative (Witness 2) with whom Respondent shared Witness 1 in a legislator assistant share agreement. The investigator prepared an investigative report, which was received by the House on February 12, 2020, and forwarded to the Committee on Ethics.

3. The investigative report stated that on Thursday, January 23, 2020, Respondent shared with Witness 1 that he had sex with the intern the night before, after Respondent, the intern, Witness 1, and numerous others attended a party at a local bar and grill. The report also alleged that upon learning that he would be subject to an ethics investigation in this matter, Respondent attempted to coerce Witness 1 into being untruthful with the investigator and the Committee in order to cover up the offense.

4. On February 6, 2020, the investigator interviewed Witness 1. Witness 1 provided the investigator a detailed report that was consistent with her initial report to House staff. Witness 1 stated that Respondent shared with Witness 1 that he had sex with the intern. Witness 1 stated that Respondent began harassing her upon learning that she had made the report to House staff as a mandated reporter. Witness 1 stated Respondent told her that he and the intern had agreed to lie and state nothing happened between them, and they had deleted each other's phone numbers and all text messages and calls between them from their phones. The investigator deemed Witness 1 to be credible.

5. On February 9, 2020, the investigator interviewed Witness 2. Witness 2's statements were consistent with the testimony of Witness 1. Witness 2 recalled Witness 1 receiving a phone call from Respondent at their office suite, and Witness 2 recognized Respondent's voice over the phone yelling at Witness 1. The investigator deemed Witness 2 to be credible.

6. On February 10, 2020, the investigator interviewed the intern. The intern denied any romantic or sexual relationship with Respondent. The intern denied speaking with or texting Respondent on her cell phone. The intern denied ever having Respondent's cell phone number. Although initially indicating she would provide a copy of her cell phone records to the investigator, the intern later indicated she did not know how to obtain such records, and that any attempt to acquire such records would alert her mother to the investigation, which the intern did not want to do. The investigator deemed the credibility of the intern to be questionable.

7. On February 10, 2020, the investigator interviewed Respondent. Respondent denied any sexual relationship with the intern. Respondent denied claiming he had a sexual relationship with the intern to anyone, including Witness 1. Respondent stated although he and Witness 1 would have work related "spats" from time to time, they were nothing serious and he had no issues with Witness 1. Respondent stated that he has not called the intern on his cell phone, and that he does not have and has never had her cell phone number. Respondent indicated he would be willing to provide a copy of his cell phone records to confirm this, but stated he was not sure how to obtain the records. The investigator deemed the credibility of Respondent to be questionable.

8. On February 17, 2020, in order to prevent the possibility of further harassment or retaliation against Witness 1, the House completed moving Respondent to a different office complex within the Capitol, and assigned Witness 1 to be a full-time legislator assistant for Witness 2. Respondent offered no substitute legislator assistant, so the House assigned a different current legislator assistant for Respondent.

9. The Committee met on February 20, 2020, and, after reviewing the report from outside counsel, voted (9-0) to proceed to a preliminary hearing.

10. The Committee confirmed that the intern was a current House intern assigned to a representative not related to this matter in January 2020. The intern was invited to testify before the Committee on multiple occasions. However, through her Title IX coordinator, she declined to cooperate with the Committee's investigation. Although the Committee made multiple requests for phone records to the intern, she ultimately failed to supply any records to the Committee.

11. On February 27, 2020, Witness 1 testified before the Committee. The testimony of Witness 1 was consistent with her initial report to House staff and to the investigator. Some of the testimony of Witness 1 is as follows:

a. Witness 1 stated "The next day when he got to work, we went into his office and he closed the door and that's when he told me that he had sex with [the intern] the night before."

b. Witness 1 stated that in the past Respondent had told her on two separate occasions with whom he had previously had sex.

c. Witness 1 stated "[Respondent] told me that he had contacted [the intern] and that he had told her to delete his phone number, delete their text messages, and that she wasn't supposed to contact him anymore."

d. Witness 1 stated that Respondent said "It was consensual. There's nothing wrong with what I did. You're the one that messed up by telling [Witness 2]."

e. Witness 1 stated that Respondent urged her "to say that [Witness 2] misspoke or I misspoke and that he didn't do anything and it was all wrong. And it was my mess and I had to clean it up."

f. Witness 1 stated that Respondent said that "if I didn't back his play or back his idea that I was going to lose my job."

g. Witness 1 stated Respondent told her "where I come from, people die for doing s*** like this", referring to Witness 1 revealing the contents of her conversation with Respondent as a mandated reporter, and Witness 1 not vouching for Respondent's narrative of the events. Witness 1 stated she was afraid of Respondent after this conversation.

The Committee deemed Witness 1 to be credible.

12. On February 27, 2020, Witness 2 testified before the Committee. The testimony of Witness 2 was consistent with the testimony of Witness 1. Witness 2 recalls Witness 1 telling about Respondent and the intern, and that Witness 2 immediately recognized their duty to report as mandated reporters. Witness 2 also recalled Witness 1 receiving a phone call from Respondent at their office suite, and Witness 2 recognized Respondent's voice over the phone yelling at Witness 1 (not on speaker phone). Also, Witness 2 stated that in the past Respondent had told her on two separate occasions with whom he had previously had sex. The Committee carefully examined the testimony of Witness 1 and Witness 2 and found their accounts to be consistent. The Committee finds the testimony of Witness 2 to be credible.

13. After verifying the cellular telephone numbers for Respondent and the intern in use in January 2020, the Committee requested the Speaker issue a subpoena for phone records relating to this matter. The subpoena requested historical transaction detail for the dates of January 22, 2020 through January 27, 2020.

14. The cell phone transaction records received in response to the House subpoena contained seven phone calls and 26 text messages between Respondent and the intern. Some of these communications were initiated by Respondent and some initiated by the intern. The first call originated from Respondent on January 23, 2020 at 12:40 AM. The final communication was a phone call originated by Respondent in the evening of January 26, 2020 lasting 42 minutes. These phone records clearly indicate Respondent and the intern had each other's cell phone numbers and had communicated, which contradicts their testimony to the investigator, and part of Respondent's testimony under oath to the Committee.

15. On September 15, 2020, Respondent provided sworn testimony before the Committee. Respondent was present with counsel, and both counsel and Respondent were given an opportunity to provide a verbal statement to the Committee in addition to Respondent's testimony. Some of Respondent's testimony is as follows:

a. Respondent denied any sexual relationship with the intern.

b. Respondent denied claiming he had a sexual relationship with the intern.

c. Respondent and his counsel initially denied (four times) ever calling or texting the intern. After being shown an excerpt of the phone records the Committee acquired by subpoena, Respondent then claimed he communicated with the intern to see if Witness 1 had made it home safely from a party the three of them had attended on the night in question. Respondent claimed that the part of the investigator's report that stated he said he did not have the intern's cell phone number was false.

d. Respondent testified he switched cell phones and is not certain of the location of the phone he was using in January 2020. Respondent stated he would search for the original phone in his home and provide it to the Committee.

e. Respondent claimed that a week before the alleged sexual encounter with the intern he had given notice to Witness 1 that she was going to be fired within 30 days. This contradicts the testimony of Witness 1 and the investigator's report in which he said he had no serious issues with Witness 1. Respondent claimed Witness 1 fabricated the story of Respondent and the intern as retaliation. When asked, Respondent said he had not told

Witness 2 (with whom he shared in a legislator assistant share agreement with Witness 1) that he had given notice to Witness 1; he had not told House administration that he had given notice to Witness 1; and had not documented his issues with Witness 1 or that she had been given notice. Respondent testified that he had arranged for a friend of his from his district to replace Witness 1, but could not recall his name and did not mention him to House administration when they separated Respondent from Witness 1. Respondent testified that the ex-boyfriend of Witness 1 (Witness 3) was aware that Witness 1 was being fired and "came into my office to save his ex-girlfriend's job." On September 22, 2020, Witness 3 testified before the committee that he was unaware that Witness 1 was to be fired, and that he never spoke to Respondent to save Witness 1's job. The Committee deemed the testimony of Witness 3 to be credible.

Ultimately, Respondent also failed to supply the original cell phone or any phone records that would corroborate his version of the events in response to requests from the Committee. The Committee deemed Respondent to be not credible.

16. At the conclusion of Respondent's testimony, held in closed session before the Committee, a cell phone was discovered on the witness stand that was recording audio. The witness stand had just been vacated by Respondent and his counsel, who had both left the room. The phone had been recording Respondent's testimony, and would have continued recording the Committee's private deliberations. The phone was determined to belong to counsel for the Respondent, who stated he was recording the testimony of Respondent before the Committee. Counsel was not given permission to make a recording, and was in direct violation of House rules providing for the confidentiality of the Committee proceedings. The phone was returned to counsel after the audio file was deleted from the device and counsel stipulated that he would not take any steps to recover or otherwise attempt to use the audio file.

17. House records confirm that Respondent attended the mandatory Preventing Sexual Harassment training with all House members on January 14, 2020, and on March 11, 2019.

18. The Committee finds, based upon the testimony and evidence received by the Committee, that:

a. Respondent misled the House investigator by denying that he had claimed an inappropriate relationship existed between him and the intern to Witness 1 and denied that he had engaged in any cell phone communications whatsoever with the intern;

b. Respondent committed perjury before the Committee on Ethics by denying that he had claimed an inappropriate relationship existed between him and the intern to Witness 1 and denying that he had engaged in any cell phone communications whatsoever with the intern;

c. Respondent intimidated and threatened his legislator assistant in retaliation for performing her duties as a mandated reporter;

d. Respondent obstructed this Committee's investigation by misleading the Committee investigator with regard to his attempts to coerce Witness 1 into changing her testimony;

e. Respondent obstructed this Committee's investigation by committing perjury before the Committee by denying his attempts to coerce Witness 1 into changing her testimony; and

f. Respondent's conduct has compromised the ability of the House to provide a respectful, professional work environment.

19. The Committee finds that Respondent's actions involving both the intern and his legislator assistant, and his conduct before this Committee during its investigation, to constitute ethical misconduct and conduct unbecoming of a state legislator of sufficient severity to warrant censure.

NOW THEREFORE, the Committee on Ethics, having given full consideration to this complaint concludes that the issuance of this report is warranted, and recommends that the House of Representatives consider the following sanctions against the Respondent:

1. Censure by the 100th General Assembly, pursuant to Article III, Section 18, of the Constitution of Missouri;

2. Censure by the 101st General Assembly, pursuant to Article III, Section 18, of the Constitution of Missouri;

3. Payment of \$22,492.25 to the House of Representatives in costs related to the investigation of this complaint; and

Until the House considers a resolution to censure, the following actions should immediately be taken:

4. Respondent shall conduct himself in a manner that respects the commitment of the House to provide a work environment free of sexual harassment to all members, employees, and interns;

5. Respondent shall have no service from or supervision over any intern for the remainder of his membership in the House. Any legislative employee assigned to Respondent for the remainder of his membership in the House shall be under the direct supervision of the Chief Clerk, who should monitor the Respondent's contact with House employees as appropriate;

6. House Speaker and Minority Floor Leader remove Respondent from any committee assignments;

7. House Speaker and Minority Floor Leader withhold from Respondent any of the privileges of office that the Speaker or Minority Floor Leader deem appropriate;

8. Respondent not be allowed to hold any leadership position; and

9. Any other sanctions the House of Representatives deems just and proper under the circumstances.

At the Committee hearing on December 15, 2020, Respondent was given until 1 PM the following day to resign as Representative of the 100th General Assembly and resign as Representative-Elect of the 101st General Assembly. Respondent failed to meet this deadline.

This report was adopted by the Committee by a vote of 10 to 0:

Ayes: Eggleston, Kendrick, Anderson, Andrews, Barnes, Brown, Ellebracht, Francis, Lynch, Stevens
Date: December 15, 2020

Representative Taylor (139) offered **House Amendment No. 1.**

House Amendment No. 1

AMEND House Ethics Complaint No. 20-001, Page 7, Line 19, by inserting after all of said line the following:

"NOW, THEREFORE, BE IT FURTHER RESOLVED, that the Missouri House of Representatives having given full consideration to the Ethics Report contained in this complaint determines that:

1. There is clear and convincing evidence of civil and criminal offenses and moral wrongs committed by Rep. Wiley Price.
2. These civil and criminal offenses and moral wrongs are sufficient to warrant the expulsion of Rep. Wiley Price pursuant to Article III, Section 18, of the Constitution of Missouri.
3. Expulsion shall require a two-thirds vote of a majority of all members elect of the Missouri House of Representatives pursuant to Article III, Section 18 of the Constitution of Missouri.

4. Expulsion shall not preclude the use of lawful, civil processes to recover \$22,492.25 in costs related to the investigation of this matter if such action is authorized by vote or other action in accordance with the Rules of the Missouri House of Representatives.

NOW, THEREFORE, BE IT FURTHER RESOLVED, that the Missouri House of Representatives having given full consideration to those proposed sanctions in this complaint that require a vote, may act to implement such sanctions in this manner:

A vote on expulsion shall be in order to pass this complaint upon third reading and shall require a two-thirds majority vote of all members elect of the Missouri House of Representatives pursuant to Article III, Section 18 of the Constitution of Missouri, and upon such vote the recommendation to expel Rep. Wiley Price shall be immediately effective."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

(4) Expulsion - A sanction which recognizes the member's conduct constituted a legal or moral wrong and which may include punishment in the form of removal from office as provided in Article III, Section 18 of the Missouri Constitution, which recommendation is included as part of the Committee's report.

 - (6) Member – Any Missouri State Representative or Missouri State Representative-Elect.

RULE 3. Quorum

A quorum exists when a majority of the members of the Committee are present.

RULE 4. Form of Complaints

A. All complaints filed against a member shall be made under the authority of Rule 37 of the House Rules of Procedure. The complaints shall be confidential and shall be referred to the Committee on Ethics within fourteen (14) calendar days. Each complaint shall be in writing and under oath from the member, or in the case of alleged sexual harassment, the investigative report shall be sufficient to be considered a proper complaint. All complaints shall contain:

- (1) The name and address of the member or members or other individual or individuals acting as complainant;
- (2) The name of the member alleged to have engaged in conduct constituting ethical misconduct;
- (3) The nature of the alleged act constituting ethical misconduct, including when applicable, the specific law, rule, regulation, or ethical standard violated;
- (4) The facts alleged to have given rise to the act constituting ethical misconduct; and
- (5) Where the facts are alleged upon the information and belief of the complainant, the complaint shall so state and set forth the basis for such information and belief.

B. All records in the possession of the complainant that are relevant to and in support of the allegations shall be appended to the complaint.

RULE 5. Jurisdictional Hearing of the Complaint by the Committee

A. Within thirty (30) calendar days of the assignment of the complaint, the Committee shall determine if it is in compliance with Rule 4 of these Rules, and whether on the face of the complaint, the allegations contained therein are within the jurisdiction of the Committee. No person named in the complaint shall act as a member of the Committee for purposes of such complaint. The jurisdictional hearing to examine the complaint and report or other evidence provided to the Committee, and the determination under Rule 5. C. shall be conducted in a closed hearing.

B. Complaints determined not to be in compliance with Rule 4 of these Rules shall be returned to the complainant with a statement that it is not in compliance with the Rules of Procedure. The complaint may be resubmitted in the proper form.

C. Once a determination has been made that the complaint complies with Rule 4 of these Rules, a majority of the Committee appointed shall vote by roll call to:

- (1) Proceed to a preliminary hearing;
- (2) Defer action pending completion of any other administrative, disciplinary, commission, or judicial proceeding; or
- (3) Dismiss the complaint. When a motion to proceed to a preliminary hearing fails on a recorded vote, the complaint shall be immediately dismissed. The Committee may, in its discretion, issue a report in conjunction with the dismissal of the complaint.

D. In determining whether or not to proceed to a preliminary hearing, the Committee shall consider the following:

- (1) The credible evidence of ethical misconduct contained in the complaint, any report, or other evidence appended thereto;
- (2) Other administrative or disciplinary action by other interested bodies;
- (3) Criminal investigation, Missouri Ethics Commission proceeding, or judicial proceedings, either civil or criminal; and
- (4) Other relevant circumstances that would justify expediting, declining, or deferring action by the Committee.

E. Complaints determined to be in compliance with Rule 4 of these Rules and accepted for a preliminary hearing shall be transmitted to the respondent with a copy of the Rules of Procedure and notice in writing that the respondent has twenty-one (21) calendar days to respond to the complaint either by way of answer or motion pursuant to Rule 7 of these Rules. The complainant and alleged victim shall also be notified, in writing, of the action of the Committee.

F. Any party may make an objection to the participation of any member of the Committee in an examination of the complaint on the grounds that the member cannot render an impartial and unbiased decision in the case. The majority of the members present shall rule on the objection to the participation of any member of the Committee. A temporary replacement shall be made to serve on the Committee on Ethics for all actions concerning a particular complaint for any member of the Committee who is prevented from acting on a complaint under these rules. Any temporary replacement made shall be of the same party as the replaced member and shall be chosen by the Speaker for the replacement of a member of the majority party or chosen by the Minority Floor Leader for the replacement of a member of the minority party; except that, if the Speaker is the respondent, the complainant, or the victim, the temporary replacement shall be chosen by the Chair of the Committee or, if the Minority Floor Leader is the respondent, the complainant, or the victim, the temporary replacement shall be chosen by the Vice Chair of the Committee.

RULE 6. Confidentiality

A. Counsel for the Committee on Ethics, with the consent of the Chair and Vice Chair, may redact any of the names and identifying information of the parties mentioned in any report, or provide a summary of the report.

B. No member or staff of the Committee on Ethics shall disclose, to any person or entity outside the Committee, any information received in the course of service with the Committee, except as authorized by the Committee or in accordance with its rules.

C. No person, other than House staff or employees properly part of the complaint process by rule or policy, who reviews or receives the results of any investigation or report shall disclose any information contained in the report, except to his counsel or in accordance with these rules.

D. If the complaint proceeds to a preliminary hearing, an unredacted report shall be provided to the complainant, respondent, and alleged victim. Any document provided by the Committee shall contain a watermark indicating that the document is confidential and shall list the name of the recipient.

RULE 7. Answers and Motions

A. If the Committee determines that the complaint merits proceeding to a preliminary hearing, the respondent shall have twenty-one (21) calendar days in which to respond to the complaint by way of answer or motion, unless this time period is waived by the respondent. Any answer or motion shall be in writing, signed by the respondent and his counsel, if he has one, and shall be limited to the following:

(1) An admission or denial under oath, of the allegations set forth in the complaint, including negative and affirmative defenses, and any other relevant information, including supporting evidence which the respondent may desire to submit. Failure to file an answer within the time prescribed shall be considered by the Committee as a denial of each allegation; or

(2) An objection to the jurisdiction of the Committee to investigate the complaint.

B. Any motion submitted pursuant to this rule is not in lieu of an answer and shall be accompanied by a memorandum of points and authorities. Answers or motions not submitted within the twenty-one (21) calendar-day period shall not be considered by the Committee.

C. The Chair of the Committee shall pass upon such motions as soon as practicable and notice of the decision shall be furnished to the respondent and the complainant. A motion to quash a subpoena shall be decided by the Chair of the Committee.

D. Time limitations imposed by this Rule may be extended when, in the discretion of the Chair, such extension would facilitate a fair and complete inquiry and may be shortened when the Chair determines that there are special circumstances compelling expedition, and upon twenty-four (24) hours notice of said action to the respondent and the claimant.

E. In the event that a special counsel is retained by the Committee, the attorney-client privilege is applicable to the Committee and not to the House.

RULE 8. Preliminary Hearings

A. A preliminary hearing may be held to hear arguments based on the evidence submitted in the case. The preliminary hearing may be closed at the discretion of the Committee. The Committee shall provide the complainant and the respondent or counsel for the complainant and respondent an opportunity to present, orally or in writing, a statement, which shall be under oath or affirmation, regarding the allegations and any other relevant questions arising out of the complaint or other evidence provided to the committee. Opening statements made during a preliminary hearing shall be limited to fifteen minutes for the complainant and fifteen minutes for the respondent; however, such time limitations may be increased at the discretion of the Chair of the Committee.

B. The Committee shall require that testimony be given under oath or affirmation. The form of the oath or affirmation shall be: "Do you solemnly swear (or affirm) that the testimony you will give before this Committee in the matter now under consideration will be the truth, the whole truth, and nothing but the truth (so help you God)?" The oath or affirmation shall be administered by the Chair or Committee member designated by him to administer oaths. The Committee may take testimony from the complainant, alleged victim, respondent, and any other witness at the discretion of the Chair. The complainant, alleged victim, and respondent may submit a list of proposed witnesses to the Chair for consideration at least twenty-four hours in advance of the hearing. Only the Committee members, or special counsel for the Committee, may question a witness at the preliminary hearing.

C. At the conclusion of the preliminary hearing, a majority of the Committee shall vote by roll call to:

- (1) Dismiss the complaint, which may be accompanied by a report issued by the Committee;
- (2) Proceed by undertaking a formal hearing; or
- (3) Offer a recommended sanction to the member which may include one of the following:
 - (a) Letter of reproof;
 - (b) Reprimand;
 - (c) Censure; or
 - (d) Expulsion.

If the member accepts the Committee's recommended sanction, the sanction shall be enforced and the complaint shall be concluded. If the member does not accept the recommended sanction, the Committee shall then proceed to a formal hearing which shall take place no later than ninety (90) calendar days after the date that the recommended sanction was rejected or as scheduled or extended by a majority vote of the Committee.

RULE 9. Formal Hearings

A. A formal hearing shall be held on the record to receive evidence upon which to base findings, conclusions, and recommendations, if any, to the House; except that, such hearing may be closed at the discretion of the Committee. The Committee may require, by subpoena or otherwise, or by subpoena duces tecum, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers, electronic communications, and documents as it deems necessary. The Committee may issue and enforce subpoenas as allowed by law.

B. Prior to setting a hearing date and issuing subpoenas for witnesses, the Committee shall resolve the scope and purpose of the hearings. A copy of this statement of scope and purpose shall be furnished to all witnesses. During the course of the hearings the Committee may expand or contract the scope in light of evidence received.

C. The order of the formal hearing shall be as follows:

(1) The Chair shall open the hearing by stating the Committee's authority to conduct the investigation, the purpose of the investigation and its scope.

(2) The complainant and the respondent or counsel for the complainant and respondent shall be permitted to make opening statements. Such opening statements shall not exceed fifteen minutes each.

 - (b) Witnesses and other evidence offered by the respondent;
 - (c) Witnesses and other evidence offered by the Committee; and
 - (d) Rebuttal witnesses.
- (4) The Chair, or his designee, and the Committee members may question any witness.

D. Testimony of all witnesses shall be taken under oath. The form of the oath shall be: "Do you solemnly swear (or affirm) that the testimony you will give before this Committee in the matter now under consideration will be the truth, the whole truth, and nothing but the truth (so help you God)?" The oath shall be administered by the Chair or Committee member designated by him to administer oaths.

RULE 10. Admissibility of Evidence

A. The object of the hearings shall be to ascertain the truth. Any evidence that is relevant and probative shall be admissible, unless privileged or unless the Constitution otherwise requires its exclusion. Objections going only to the weight that should be given to evidence will not justify its exclusion.

B. The Chair or other member presiding shall rule upon any question of admissibility of testimony or evidence presented to the Committee. The Chair or other member presiding may limit the presentation of repetitious evidence. Rulings shall be final unless reversed or modified by a majority vote of the Committee members present.

C. At a formal hearing, the burden of proof is on the complainant with respect to each count to establish the facts alleged therein clearly and convincingly by the evidence that he introduces.

RULE 11. Witnesses

A. A subpoena to a witness shall be served sufficiently in advance of his scheduled appearance to allow him a reasonable period of time, as determined by the Committee, to prepare for the hearing and to employ counsel should he so desire.

B. Except as otherwise specifically authorized by the Chair, no member of the Committee or staff shall make public the name of any witness subpoenaed by the Committee before his scheduled appearance.

C. Witnesses at formal hearings may be accompanied by their counsel for the purpose of advising them concerning their constitutional rights and to raise objections to procedures or to the admissibility of testimony and evidence.

D. Chair may limit such testimony when, in his discretion, he finds the testimony is repetitious, cumulative, or irrelevant.

E. Each witness subpoenaed by the Committee shall be reimbursed for those reasonable expenses approved by the Committee.

F. Each witness shall be furnished a printed copy of the Rules of Procedure and the pertinent provisions of the Rules of the House applicable to the rights of witnesses.

G. Within ten calendar days before the scheduled formal hearing, each party shall notify the Committee and all other parties to the complaint, in writing, of the witnesses that are to appear at the formal hearing. Within five calendar days before the scheduled formal hearing, each party shall notify the Committee and all other parties to the complaint, in writing, of any proposed rebuttal witnesses that are to appear on his behalf. The Chair may exercise discretion in allowing any party's good faith request for additional witnesses that are proposed after the expiration of these time limits, or in denying any witness request made by a party if such request is not made in good faith.

RULE 12. Findings, Conclusions and Recommendations

A. At the completion of the preliminary hearing or formal hearings, the Committee, by a majority vote of its members, shall, within forty-five (45) days, adopt a report stating its findings and conclusions on the complaint. The report shall be filed with the Chief Clerk of the House and shall be printed in the House Journal. In the event the Committee finds that the complaint is not well-founded, the report shall so state, and shall include a copy of a Letter of Reproval if the Committee authorized such sanction. In the event the Committee finds that the complaint is well-founded, the report shall state the Committee's recommendation in a resolution appended thereto.

B. The resolution shall state the Committee's findings and conclusions on each allegation in the complaint with the recommendation that the House take one of the following actions:

- (1) Letter of reproof;
- (2) Reprimand;
- (3) Censure; or
- (4) Expulsion.

C. The chair or counsel for the Committee shall redact from its findings, conclusions, and recommendations, the name or names and any identifying information of any person or persons alleged to be a victim of sexual harassment or sexual misconduct by a member. An alleged victim may consent to the release of his or her name or other identifying information by providing a written request to the chair of the Committee.

RULE 13. Matters Not Covered in These Rules of Procedure

The Rules of Procedure of the United States House of Representatives Committee on Ethics of the 116th Congress shall be taken as guidelines in deciding questions, issues, and other matters not otherwise provided for in these Rules of Procedure, except that the Rules of the Missouri House of Representatives governing the party representation on committees shall apply to this Committee.

Journal of the House

ONE HUNDRED FIRST GENERAL ASSEMBLY of the STATE OF MISSOURI

FIRST REGULAR SESSION

FIRST DAY, WEDNESDAY, JANUARY 6, 2021

The House was called to order at twelve o'clock noon by the Honorable John R. Ashcroft, Secretary of State.

Prayer by Reverend Monsignor Robert A. Kurwicki, St. Michael Catholic Church, Russellville, Missouri.

My presence shall go with Thee. (Exodus 33:14)

Almighty God, our Heavenly Protector, who is from everlasting to everlasting, whose truth endures forever and whose love never fails, we pause before You this moment as we turn another page in the history of our beloved People's House and in the story of our lives together as the representatives of this great state. Awaken within us the realization that You have a purpose for each one of us, that You are not only the sustainer of the rolling spheres but also the supporter of our own human spirits. As we launch upon the new session, may Your presence strengthen us, Your spirit guide us and Your wisdom make us wise.

Bless our Governor, our new Speaker, and the newly elected and veteran Representatives of this House, plus their families. Together may they strive for peace in the Show Me State and for the well-being of Missourians.

And the House says, "Amen!"

The Jefferson County Sheriff's Office Color Guard presented the colors.

The Pledge of Allegiance to the flag was recited.

COMMUNICATION FROM THE SECRETARY OF STATE

To the Honorable House of Representatives of the 101st General Assembly, First Regular Session, of the State of Missouri:

ADDRESS BY SECRETARY OF STATE JOHN R. ASHCROFT

Good Afternoon. Welcome to the opening of the 101st Regular Session of the Missouri General Assembly as we recognize this monumental year and celebrate Missouri's Bicentennial. Thank you for devoting yourself to the noble endeavor of serving the people of our state. It's an honor to serve with you. You are embarking on or continuing the profound privilege of representing the people. As much as I like to say I will work with you, in some respects I cannot, because as legislators you alone have the solemn responsibility of voting on what the law will be. I cannot do that. However, in serving as your Secretary of State, it is my honor and my privilege to open this session of the Missouri House of Representatives.

The last time I stood before you in this meaningful and majestic chamber, not one of us could have anticipated or foreseen the specific challenges that our state and country would encounter in 2020 – a global pandemic, racial strife, riots, families financially devastated and an even greater hyperpolitical and polarized environment than we have ever endured.

But Missourians have persevered. And, in fact, at times we have been one of the brightest spots in this country. Public access to and public confidence in the integrity of our elections are fundamental components of enduring freedom. In spite of the unforeseen challenges of 2020, which disrupted the sacred democratic process in many settings across the land, Missouri election officials, poll workers and voters held four safe, secure elections. We conducted our Presidential Preference Primary in March, our April municipal elections that were postponed to June due to COVID-19, the August primary and the November general election in a manner reinforcing rather than undermining the confidence of Missouri's citizens. I sincerely thank our 116 election authorities, thousands of poll workers and the millions of Missourians who made this success possible. Even as we look back on our seamless election process, our country remains in turmoil over how other states' elections were run.

Some government officials even in this chamber wish that Missouri would embrace and mimic election processes that we have seen in states like Georgia, Arizona, Pennsylvania and Wisconsin. These states failed to conduct their elections in such a manner that neither successful nor unsuccessful candidates can demonstrably verify the results. More importantly the people of these jurisdictions are denied the confidence of knowing that their votes in fact determined the outcome.

I call on you to commit with me to ensure that Missouri continues to lead with regard to not only access, but with transparency, certainty, accountability, and finality within our elections in the future.

Our highest priority in this respect should be re-implementing the will of the people. I am speaking of our citizens who passed Amendment 6 in 2016 with 63% of the vote. It was a true photo ID safeguard assuring that every eligible voter could not only vote, but have full confidence in the results.

If we want Missouri to grow and to be the state we all know it can be, we need to work toward a government that removes impediments to opportunity so that all Missourians can not only strive for success, but reach the maximum of their God-given potential.

If the people of Missouri were smart enough to elect you, then they are smart enough to deserve a government that facilitates instead of restricts their freedom.

As Thomas Jefferson so adroitly wrote in 1816, “If a nation expects to be ignorant and free . . . it expects what never was and never will be.”

Sadly, for decades, some Missourians have had their potential stifled by a denial of real educational opportunity. We must end this now.

My years of teaching experience taught me that we need to let teachers concentrate on critical thinking skills instead of the latest fads in revisionist history. Our schools cannot become mere daycare centers warehousing students. Nor can our schools be charged with correcting social pathologies rather than developing learning skills.

Additionally, we need to put decision-making authority back into the hands of parents who know their children far better than any of us ever will. And that should start by giving parents more control over education dollars and decisions regarding their children’s education.

Good decision making requires complete, reliable school specific information. This is true for parents, for school boards, for school administrators and for legislators so that informed choices and decisions can be made in the best interest of our children.

No decisions in a democracy exceed the importance of amendments to our constitution. After all, the constitution is the ultimate safeguard for our liberty. In recent years, amendments to our constitution have been taken extremely lightly. Special interests have seized the opportunity to bankroll profound changes without the careful deliberation, honest information, and rigorous discussion that changing our fundamental framework deserves. For example, in 2014 fewer than 18% of the registered voters added three amendments to our constitution. Such a fractional minority offends the principle of majority rule, especially regarding the liberties safeguarded in our constitution. Just a few weeks ago we witnessed, via the vote on Amendment 3, the people of Missouri had to once again vote at the ballot box to block what special interests had rammed through two years before.

I firmly believe that the Constitution of Missouri should be decided by the people of Missouri, not by wealthy out of state special interests.

We need to protect the ability of the people to decide what they want to vote on, but we should not amend our Constitution without a broad consensus of Missourians.

If we will work to keep our elections secure and people confident in the results, if we will make sure that every child in this state truly has the opportunity to be the best that he or she can be through access to a challenging education, and we will make sure that We the People, rather than special interests, control the constitution and the laws we will live under, the future for Missouri is bright. These are not trivial objectives but you have the capacity and authority to bring them to pass.

Thank you.

ADDRESS BY SPEAKER ROB VESCOVO

Thank you. To our returning members, welcome back. And to our new members, congratulations!

As I stand here today as your Speaker, I am deeply humbled and incredibly grateful. Just as our constituents place their trust in us to serve as their voice in this building, you have placed your trust in me to serve you and to help you do what is best for your districts, and for our state. This is a duty I will never take for granted and you have my sincere thanks for your support.

Before I go on, let me take a few moments to thank some very important people in my life. At the top of that list is my beautiful wife, Amanda. Last August we celebrated 17 amazing years together. Somehow she has put up with me all these years and she has taken on so many additional burdens while I have lived the life of a public servant.

As anyone here with a significant other will tell you, this life isn't easy on your family. There are a lot of doctor's appointments, parent-teacher conferences, and basketball games that are missed because we're here in Jefferson City working for the people. And our spouses have to listen to negative campaign ads and the other criticisms that go hand-in-hand with a life of public service. But just like your spouses, Amanda has taken it all in stride and has been a constant source of strength and support for our family.

Today I want to thank her and all our significant others for their support and their patience. We would not be here without you. Please join me in giving Amanda and all our spouses a well-deserved round of applause.

My five wonderful kids are with me here today as well – Robert, Jillian, Nicholas, Peter, and William. What can I say? They are and will always be my greatest accomplishments.

It's a blessing to have the love of family around me for this incredible moment, but I need to acknowledge a huge void today that cannot be filled. As many of you know, I lost both my father and mother in 2019. They molded me into the man I am today. They gave me the work ethic and the will to fight for what I believe in and these are qualities that have propelled my career in public service. Without question, I would not be here today if not for them. So as today is a moment of pride for me, I know it is also a moment that would make them proud as well.

Today, as I stand here at this dais as your Speaker, I do so with the goal of not only making my family proud but also with the commitment of earning your trust and the trust of the people of Missouri.

I think most of you know from your time working with me as floor leader that my goal has always been, and will always be, to work tirelessly to help you advance your agendas. All of you have issues that mean a great deal to your constituents, and I am committed to working with you to find legislative solutions to these problems.

That goes for both sides of the aisle. I hope my time in the floor leader's office made it clear that I will work with any member from any party. That will not change when I am Speaker. My door will be open and my time will be yours if and when you need me.

And just as I am ready and willing to work with you on the issues you care about, I hope you will keep open minds when it comes to the issues that matter to me.

Education is a topic we discuss in this chamber on a regular basis, and each time we do we take into consideration the perspectives of teachers and administrators about what works and what doesn't. And yes, the actions we take are meant to have what is best for our kids in mind, but to me, we too often fail to consider the viewpoint of actual kids our system of education is meant to serve and not just the perspective of the kids who succeed academically, but also those who struggle to learn in the rigid framework of our system.

Let me tell you about a young man who tried his hardest, but struggled every step of the way in his journey through our education system. From 2nd to 6th grade he was placed in 6 different schools, and the answer to his struggles was medicine for his ADHD rather than a learning plan he could grasp. By the time he reached seventh grade, he was frustrated because he had yet to master something as simple as fractions. It was only when a teacher took extra time to relate to him in a way he could understand that things finally clicked.

This young man was the son of a father in the construction industry, and the teacher brought out a tape measure to help make his point. Suddenly the boy was referring to the markings on the tape measure – 1/4, 7/16, 5/8 – and the teacher helped him realize he in fact did know fractions. He simply hadn't realized it before, and no teacher had been able to help him make that connection.

Unfortunately, this positive moment in the young man's educational career was only one small story of success. Because of his ADHD and other learning challenges, he continued to struggle with his schooling, he was constantly ridiculed and torn down along the way, and he didn't have the benefit of other teachers like his 7th grade instructor, who had the time and dedication to help him succeed. By the time he was 16, he was so frustrated with the system that he dropped out of school entirely.

From there he went on to spend five years learning a skilled trade and became crafty with his hands, but the idea that he wanted to complete his education continued to persist in his mind. This young man decided he would not give up and he ultimately went back to obtain his GED at Harris Stowe State University and then went on to college. Even though this young man's experience in our education system was less than ideal, I think his story is one that is ultimately successful as he went on to become an elected member of this body and today became the Speaker of the House.

But regardless of whatever success I have achieved on a personal level, I can never forget the difficult time I had while in school. I look at the "one size fits all" approach our system too often takes, and I believe it failed me just as it fails countless other students each year.

That's not to say we don't have amazing educators out there. We know our state is blessed with many incredible teachers.

But we also know that not every child works or learns the same way and that our teachers need the time, resources, and flexibility to be able to work with kids on a personal level.

I tell you that we can learn something from the perspective of students like me who struggled within the system. I have often heard folks in the education system say I can't understand what our system of education needs because I'm not a teacher. As a student who struggled, I believe I do have valuable insight on what works and what doesn't, and I believe it is time our system of education listens to these students who have seen firsthand how the system can and should improve.

As I look at our educational landscape I see the need to provide students more opportunities for learning. We can create these opportunities through tools like Education Savings Accounts that will give parents the option to send their kids to the schools that will best serve their needs.

At the same time we look to give kids more educational opportunities, we also must give teachers more opportunities for career growth and advancement.

The coronavirus pandemic has taught an important lesson to parents in every part of our state. Every parent wants to keep their kids safe and healthy, but we have also learned that teachers are more effective as educators in person and that kids must be in school to learn effectively and to have the normal social development that is such an important part of their growth into adulthood.

That is why we must continue to look at ways to give our schools the resources they need to stay open so that the educational experience is not disrupted for thousands of children. We must be innovative as we look for ways to give young people the tools they need to succeed. And that means improving our system of education so that it can help the kids who do not learn in conventional ways. I am committed to working as hard as I can to find a solution that will give our kids a better opportunity for success in the classroom.

I know it won't be easy. But it's one thing to try here and fail on the floor of the House, and it's another to not try at all and fail our kids through a lack of action. I refuse to not try on this issue that means so much to me and even more to our kids.

It's also imperative that we help our kids by making a stronger investment in early childhood development. We know the positive impact of working with kids at a very early age is immense. We also know that by investing in our kids early on in life, we give them a much better chance at succeeding in adulthood.

As Speaker, I want to see us make a stronger commitment to early childhood education.

We know if we fail these kids early in life, they may end up on a path that will lead them to incarceration. If we want to better serve the people of our state we must invest in our young people on the front end rather than pay the cost of incarceration on the backend when our system fails them. That is why we must support policies that focus on empowerment rather than imprisonment.

Everyone in this room knows I am standing here before you today because I was blessed to have a mother who was willing to give me life and two parents who adopted me out of foster care to love and raise me as their own child. They were there to support me and to push and encourage me when I needed it. They gave me the stability to stay on the right path. They were there to keep me in line and show me the right way to live my life.

I am thankful each and every day for the life my parents gave me, and I want every child in this state to have similar opportunities. We will look at additional reforms to our foster care system that will help to ensure children don't slip through the cracks, and we will explore the idea of a tax deduction for foster parents, which can encourage more Missouri families to open their doors and their hearts to our young people in need.

We know we have more than 13,000 kids in our foster care system, and more enter the system every year. We must take every step possible to give each and every one of these kids an open door of opportunity so they can grow into healthy, productive adults.

We also know that here in our state, we have more than 2,500 kids waiting to be adopted. I hope all of you will work with me this session to expand our adoption tax credit so that families who want to adopt a child aren't blocked from doing so simply because of cost. Together we can make adoption a possibility for the many families who may not have the money but certainly have the love and support to give a wonderful life to a young person in need.

These are a few of the things I hope we can make a priority this session, but there are many other issues I know are important to all of us, and we will spend considerable time discussing them as well.

We will again work to cut the regulatory red tape on our businesses and licensed professionals. COVID-19 has been an incredible challenge for our state, but it has also taught us that our businesses are better off with less government and less regulations. We will also continue to promote our continued economic growth by considering common sense legal reforms that will prevent job-killing lawsuits. We will explore ways to make our tax system as fair and as transparent as it can be for taxpayers. We will work to ensure the members of our law enforcement community are properly trained and equipped to protect our communities. As we have done each year, we will continue our strong support for the Second Amendment rights of law-abiding Missourians. We will consider legislation to protect the integrity of our elections system. And we will continue our role in providing oversight over the administration as we work to ensure government is efficient and effective in performing its task of serving the people.

As we tackle these issues, and many others, we will have disagreements. We will need to work together to find compromise, and there may be times that we cannot find the common ground we need to satisfy everyone.

But I can assure you that we will not fail to have the conversation simply because the road to success is a difficult one. And we know this session will be difficult and it will have challenges that go beyond what we normally see in the legislative process. That's because we continue to live with the reality of COVID-19.

This is a session where we will continue to take the appropriate steps to keep one another safe and healthy and to keep our staff and those who do business in the Capitol safe as well, all while ensuring this process is open and transparent for the people of Missouri.

We'll also work directly as a legislative body to address many of the issues that have become topics of discussion as this pandemic has continued. We will look at ways to ensure the freedoms of Missourians aren't compromised needlessly and that local officials properly balance the need to protect the public health with protecting these important freedoms.

I want all of us to work together this session toward implementing reasonable liability protections for our health care workers and businesses, so they can continue to provide the vital services they offer without fear of frivolous lawsuits.

And we will continue to closely scrutinize the response efforts for this pandemic and how the stimulus dollars are spent, so that Missourians know their tax dollars are working in the most efficient and effective way possible.

As we begin the 101st General Assembly, we know we are operating in historic times and that our actions and decisions will make an enormous impact on those we were elected to serve. But those people sent us here to lead, to take on even the toughest challenges, to make the hard decisions that will improve the quality of life for Missourians of all ages. And that is what we will do.

We will rise to the challenge together. We will be responsible and mindful, but we will not shy away from doing the work we were sent here to do.

Thank you again for the trust you have placed in me as your Speaker. I am excited to work with all of you as we begin the 2021 legislative session. May God bless you all and may God bless the great state of Missouri.

ADDRESS BY SPEAKER PRO TEM JOHN WIEMANN

Members of the House and guests, it is my honor to stand before you as your Speaker Pro Tem for the 101st General Assembly of the State of Missouri. Thank you to the members of this body for electing me to serve you again in this important position.

Thank you for believing in my ability to lead and serve the members of this wonderful institution as we all strive to make our state a better place to live and work for the people we serve.

Like all of us in this chamber, we have families that support us and make great sacrifices so we can serve the people of Missouri. I want to thank my wife, Yvette, *and my two sons Blake and Clayton* for their love and support.

Today, I am going to speak about “Optimism” and how we must face the challenges this year with enthusiasm for the future of all Missourians. I would like to share with you a quick story about a mother and father who had identical sons that were alike in every way but one.

One of the sons was a dyed-in-the-wool pessimist, and the other one was an incurable optimist, and the parents thought that both were so unrealistic that they talked to a psychiatrist about it, and he said that he could solve their problem. The parents asked what could be done and the doctor said, “Let’s get a fantastic set of toys any boy would

envy and we'll put them in a room and then put the pessimist in there and when he sees all those toys are for him, he will get over being a pessimist."

The parents asked, "What are you going to do about the optimist?" The doctor said, "I have a friend who has a racing stable and we can get quite a quantity of what they clean out of the stable and we can put that in another room and when the optimist has seen his other brother get all those fancy toys and that he gets that, he will get over being an optimist."

Well, the parents followed the doctor's advice. After a period of time, they went into the room where the boy was with all the toys, and he was sitting there crying and they said, "What are you crying about?" And he said, "I know somebody is going to come in here and take the toys away from me."

When they went down to the room with the optimist, they saw him on top of the pile of stuff digging and throwing it behind him as fast as he could, and they said, "What are you doing?" and he said, "There's got to be a PONY in here somewhere."

All jokes aside, over the past year we have all suffered in one form or another because of the pandemic. Some have lost loved ones, others suffered through sickness, missed out on important celebrations and milestones like birthdays, weddings, graduations -- even saying a last goodbye to a family member or friend who has passed. Our small business owners and the workers they employ have suffered personally, and financially -- so have the families they support. The full impact of this pandemic will have long term effects on us. While we can't look back at what could have been, we must look forward to the possibilities of what can be!

- I'm optimistic this year we will overcome this pandemic.
- I'm optimistic this year the Chiefs will win another Superbowl and the Blues another Stanley Cup.
- I'm optimistic our economy will continue to recover.
- I'm optimistic the house of representatives will have a successful legislative session.
- Heck, I'm even optimistic that the senate and the house will work together this session to pass meaningful legislation to help Missouri become better.

We have a new session and a new year to deliver legislative achievements for the people of Missouri. As we begin, I want to leave you with two quotes from our third President of the United States and Founding Father, Thomas Jefferson:

- "I predict future happiness for Americans if they can prevent the government from wasting the labors of the people under the pretense of taking care of them."
- "Peace and friendship with all mankind is our wisest policy, and I wish we may be permitted to pursue it."

Thank you for your time and God Bless the state of Missouri and the United States America.

Speaker Vescovo resumed the Chair.

Pursuant to Section 9.141, RSMo, the United States Bill of Rights was read by Robert Vescovo III and Jillian Vescovo.

The Committee on Consent and House Procedure may decide by a majority affirmative vote of those present whether to place the bill on the appropriate consent calendar.

(2) *Procedure on House Bills.* If the regular standing committee shall so determine, the appropriate committee report shall include a request that a bill be placed on the House Consent Calendar for Perfection. Any bill so reported shall automatically be referred to the Committee on Consent and House Procedure. Any bill reported by the Committee on Consent and House Procedure with the recommendation that it be placed on the House Consent Calendar for Perfection may be placed on that calendar if the Speaker concurs with the recommendation. It shall not be in order to offer a substitute amendment to an amendment to an amendment. When an amendment is offered, a substitute for that amendment is offered, and an amendment to the substitute is offered, it shall not be in order to offer a substitute for the amendment to the substitute. Any proposed amendment in the third degree shall be out of order. Any motion to adopt an amendment may be withdrawn by the sponsor before decision thereon. Once a bill has been amended, it shall be in the possession of the House. If a proposed amendment has been defeated, the same amendment shall not be proposed again. An amendment identical to one previously decided on the same bill is not in order, except for amendments to appropriations bills.

Any amendment that increases the amount of general revenue or general revenue equivalent appropriated in the House appropriations bills shall be required to be submitted with a separate amendment that makes an equal reduction in general revenue or general revenue equivalent in the same bill or any other of the bills still pending. If the reduction is in another bill, the decreasing amendment shall be taken up first, and the increasing amendment may be taken up only if the decreasing amendment is adopted. When a pair of amendments is submitted, the decreasing amendment shall be required to clearly identify the corresponding increasing amendment.

(b) If a member's decreasing amendment is adopted and the same member's increasing amendment is defeated, the decreasing amendment's adoption is void.

(c) The offering and adoption of an amendment decreasing the amount of general revenue or general revenue equivalent appropriated without a balancing increase creates no right of another member to offer an increasing amendment in any amount up to the amount of the decrease effected by the decreasing amendment, and no member may be recognized for the purpose of making such an amendment.

(d) For the perfection of the House appropriations bills of the state budget only, it shall be permissible to amend any line item as often as the House pleases, as long as prior adopted amendments to the line item are taken into account.

No committee substitute shall be called from the calendar of the House until the printed copies have been distributed for at least one legislative day. Amendments, if any, may be offered to the substitute before the vote on the motion to

adopt the substitute is taken. If the substitute is defeated, the original bill shall be before the House for perfection and shall be considered and shall be handled on the floor by the original sponsor of the bill. **Notwithstanding the provisions of this rule, the Speaker may, at any time, change the House handler of any bill or substitute.**

Order of Amendments

Rule 51. When amendments to any bill, motion, or proposition are pending, they shall be voted on in the following order:

(1) Amendments to the amendment are disposed of before the substitute is taken up. HOUSE COMPLAINTS

House Complaint No. 1 was reported by the Committee on Ethics on Dec 16, 2020:

HOUSE ETHICS COMPLAINT NO. 20-001

In the Matter of Representative Wiley Price

REPORT OF THE COMMITTEE ON ETHICS

WHEREON, the Committee on Ethics, of the Missouri House of Representatives, 100th General Assembly, pursuant to Rule 8 of House Committee Substitute for House Resolution 137, reports as follows:

1. On Monday, January 27, 2020, the administrative staff of the House of Representatives received a verbal report of a potential violation of House Policy B-5, which prohibits sexual harassment, and House Policy F-8, which prohibits amorous or romantic relationships between a representative and a House employee or intern. The report involved Representative Wiley Price (Respondent) and a House intern.

2. Immediately upon receiving the verbal report, the Chief Clerk of the House, pursuant to existing policy, retained outside counsel to investigate the complaint. Investigative counsel conducted an investigation of the complaint, which included interviewing the Respondent, intern, Respondent's legislator assistant (Witness 1), and another representative (Witness 2) with whom Respondent shared Witness 1 in a legislator assistant share agreement. The investigator prepared an investigative report, which was received by the House on February 12, 2020, and forwarded to the Committee on Ethics.

3. The investigative report stated that on Thursday, January 23, 2020, Respondent shared with Witness 1 that he had sex with the intern the night before, after Respondent, the intern, Witness 1, and numerous others attended a party at a local bar and grill. The report also alleged that upon learning that he would be subject to an ethics investigation in this matter, Respondent attempted to coerce Witness 1 into being untruthful with the investigator and the Committee in order to cover up the offense.

4. On February 6, 2020, the investigator interviewed Witness 1. Witness 1 provided the investigator a detailed report that was consistent with her initial report to House staff. Witness 1 stated that Respondent shared with Witness 1 that he had sex with the intern. Witness 1 stated that Respondent began harassing her upon learning that she had made the report to House staff as a mandated reporter. Witness 1 stated Respondent told her that he and the intern had agreed to lie and state nothing happened between them, and they had deleted each other's phone numbers and all text messages and calls between them from their phones. The investigator deemed Witness 1 to be credible.

5. On February 9, 2020, the investigator interviewed Witness 2. Witness 2's statements were consistent with the testimony of Witness 1. Witness 2 recalled Witness 1 receiving a phone call from Respondent at their office suite, and Witness 2 recognized Respondent's voice over the phone yelling at Witness 1. The investigator deemed Witness 2 to be credible.

6. On February 10, 2020, the investigator interviewed the intern. The intern denied any romantic or sexual relationship with Respondent. The intern denied speaking with or texting Respondent on her cell phone. The intern denied ever having Respondent's cell phone number. Although initially indicating she would provide a copy of her cell phone records to the investigator, the intern later indicated she did not know how to obtain such records, and that any attempt to acquire such records would alert her mother to the investigation, which the intern did not want to do. The investigator deemed the credibility of the intern to be questionable.

7. On February 10, 2020, the investigator interviewed Respondent. Respondent denied any sexual relationship with the intern. Respondent denied claiming he had a sexual relationship with the intern to anyone, including Witness 1. Respondent stated although he and Witness 1 would have work related "spats" from time to time, they were nothing serious and he had no issues with Witness 1. Respondent stated that he has not called the intern on his cell phone, and that he does not have and has never had her cell phone number. Respondent indicated he would be willing to provide a copy of his cell phone records to confirm this, but stated he was not sure how to obtain the records. The investigator deemed the credibility of Respondent to be questionable.

8. On February 17, 2020, in order to prevent the possibility of further harassment or retaliation against Witness 1, the House completed moving Respondent to a different office complex within the Capitol, and assigned Witness 1 to be a full-time legislator assistant for Witness 2. Respondent offered no substitute legislator assistant, so the House assigned a different current legislator assistant for Respondent.

9. The Committee met on February 20, 2020, and, after reviewing the report from outside counsel, voted (9-0) to proceed to a preliminary hearing.

10. The Committee confirmed that the intern was a current House intern assigned to a representative not related to this matter in January 2020. The intern was invited to testify before the Committee on multiple occasions. However, through her Title IX coordinator, she declined to cooperate with the Committee's investigation. Although the Committee made multiple requests for phone records to the intern, she ultimately failed to supply any records to the Committee.

11. On February 27, 2020, Witness 1 testified before the Committee. The testimony of Witness 1 was consistent with her initial report to House staff and to the investigator. Some of the testimony of Witness 1 is as follows:

a. Witness 1 stated "The next day when he got to work, we went into his office and he closed the door and that's when he told me that he had sex with [the intern] the night before."

b. Witness 1 stated that in the past Respondent had told her on two separate occasions with whom he had previously had sex.

c. Witness 1 stated "[Respondent] told me that he had contacted [the intern] and that he had told her to delete his phone number, delete their text messages, and that she wasn't supposed to contact him anymore."

d. Witness 1 stated that Respondent said "It was consensual. There's nothing wrong with what I did. You're the one that messed up by telling [Witness 2]."

e. Witness 1 stated that Respondent urged her "to say that [Witness 2] misspoke or I misspoke and that he didn't do anything and it was all wrong. And it was my mess and I had to clean it up."

f. Witness 1 stated that Respondent said that "if I didn't back his play or back his idea that I was going to lose my job."

g. Witness 1 stated Respondent told her "where I come from, people die for doing s*** like this", referring to Witness 1 revealing the contents of her conversation with Respondent as a mandated reporter, and Witness 1 not vouching for Respondent's narrative of the events. Witness 1 stated she was afraid of Respondent after this conversation.

The Committee deemed Witness 1 to be credible.

12. On February 27, 2020, Witness 2 testified before the Committee. The testimony of Witness 2 was consistent with the testimony of Witness 1. Witness 2 recalls Witness 1 telling about Respondent and the intern, and that Witness 2 immediately recognized their duty to report as mandated reporters. Witness 2 also recalled Witness 1 receiving a phone call from Respondent at their office suite, and Witness 2 recognized Respondent's voice over the phone yelling at Witness 1 (not on speaker phone). Also, Witness 2 stated that in the past Respondent had told her on two separate occasions with whom he had previously had sex. The Committee carefully examined the testimony of Witness 1 and Witness 2 and found their accounts to be consistent. The Committee finds the testimony of Witness 2 to be credible.

13. After verifying the cellular telephone numbers for Respondent and the intern in use in January 2020, the Committee requested the Speaker issue a subpoena for phone records relating to this matter. The subpoena requested historical transaction detail for the dates of January 22, 2020 through January 27, 2020.

14. The cell phone transaction records received in response to the House subpoena contained seven phone calls and 26 text messages between Respondent and the intern. Some of these communications were initiated by Respondent and some initiated by the intern. The first call originated from Respondent on January 23, 2020 at 12:40 AM. The final communication was a phone call originated by Respondent in the evening of January 26, 2020 lasting 42 minutes. These phone records clearly indicate Respondent and the intern had each other's cell phone numbers and had communicated, which contradicts their testimony to the investigator, and part of Respondent's testimony under oath to the Committee.

15. On September 15, 2020, Respondent provided sworn testimony before the Committee. Respondent was present with counsel, and both counsel and Respondent were given an opportunity to provide a verbal statement to the Committee in addition to Respondent's testimony. Some of Respondent's testimony is as follows:

- a. Respondent denied any sexual relationship with the intern.
- b. Respondent denied claiming he had a sexual relationship with the intern.
- c. Respondent and his counsel initially denied (four times) ever calling or texting the intern. After being shown an excerpt of the phone records the Committee acquired by subpoena, Respondent then claimed he communicated with the intern to see if Witness 1 had made it home safely from a party the three of them had attended on the night in question. Respondent claimed that the part of the investigator's report that stated he said he did not have the intern's cell phone number was false.
- d. Respondent testified he switched cell phones and is not certain of the location of the phone he was using in January 2020. Respondent stated he would search for the original phone in his home and provide it to the Committee.
- e. Respondent claimed that a week before the alleged sexual encounter with the intern he had given notice to Witness 1 that she was going to be fired within 30 days. This contradicts the testimony of Witness 1 and the investigator's report in which he said he had no serious issues with Witness 1. Respondent claimed Witness 1 fabricated the story of Respondent and the intern as retaliation. When asked, Respondent said he had not told Witness 2 (with whom he shared in a legislator assistant share agreement with Witness 1) that he had given notice to Witness 1; he had not told House administration that he had given notice to Witness 1; and had not documented his issues with Witness 1 or that she had been given notice. Respondent testified that he had arranged for a friend of his from his district to replace Witness 1, but could not recall his name and did not mention him to House administration when they separated Respondent from Witness 1. Respondent testified that the ex-boyfriend of Witness 1 (Witness 3) was

aware that Witness 1 was being fired and "came into my office to save his ex-girlfriend's job." On September 22, 2020, Witness 3 testified before the committee that he was unaware that Witness 1 was to be fired, and that he never spoke to Respondent to save Witness 1's job. The Committee deemed the testimony of Witness 3 to be credible.

Ultimately, Respondent also failed to supply the original cell phone or any phone records that would corroborate his version of the events in response to requests from the Committee. The Committee deemed Respondent to be not credible.

16. At the conclusion of Respondent's testimony, held in closed session before the Committee, a cell phone was discovered on the witness stand that was recording audio. The witness stand had just been vacated by Respondent and his counsel, who had both left the room. The phone had been recording Respondent's testimony, and would have continued recording the Committee's private deliberations. The phone was determined to belong to counsel for the Respondent, who stated he was recording the testimony of Respondent before the Committee. Counsel was not given permission to make a recording, and was in direct violation of House rules providing for the confidentiality of the Committee proceedings. The phone was returned to counsel after the audio file was deleted from the device and counsel stipulated that he would not take any steps to recover or otherwise attempt to use the audio file.

17. House records confirm that Respondent attended the mandatory Preventing Sexual Harassment training with all House members on January 14, 2020, and on March 11, 2019.

18. The Committee finds, based upon the testimony and evidence received by the Committee, that:

a. Respondent misled the House investigator by denying that he had claimed an inappropriate relationship existed between him and the intern to Witness 1 and denied that he had engaged in any cell phone communications whatsoever with the intern;

b. Respondent committed perjury before the Committee on Ethics by denying that he had claimed an inappropriate relationship existed between him and the intern to Witness 1 and denying that he had engaged in any cell phone communications whatsoever with the intern;

c. Respondent intimidated and threatened his legislator assistant in retaliation for performing her duties as a mandated reporter;

d. Respondent obstructed this Committee's investigation by misleading the Committee investigator with regard to his attempts to coerce Witness 1 into changing her testimony;

e. Respondent obstructed this Committee's investigation by committing perjury before the Committee by denying his attempts to coerce Witness 1 into changing her testimony; and

f. Respondent's conduct has compromised the ability of the House to provide a respectful, professional work environment.

19. The Committee finds that Respondent's actions involving both the intern and his legislator assistant, and his conduct before this Committee during its investigation, to constitute ethical misconduct and conduct unbecoming of a state legislator of sufficient severity to warrant censure.

NOW THEREFORE, the Committee on Ethics, having given full consideration to this complaint concludes that the issuance of this report is warranted, and recommends that the House of Representatives consider the following sanctions against the Respondent:

1. Censure by the 100th General Assembly, pursuant to Article III, Section 18, of the Constitution of Missouri;

2. Censure by the 101st General Assembly, pursuant to Article III, Section 18, of the Constitution of Missouri;

3. Payment of \$22,492.25 to the House of Representatives in costs related to the investigation of this complaint; and

Until the House considers a resolution to censure, the following actions should immediately be taken:

4. Respondent shall conduct himself in a manner that respects the commitment of the House to provide a work environment free of sexual harassment to all members, employees, and interns;

5. Respondent shall have no service from or supervision over any intern for the remainder of his membership in the House. Any legislative employee assigned to Respondent for the remainder of his membership in the House shall be under the direct supervision of the Chief Clerk, who should monitor the Respondent's contact with House employees as appropriate;

6. House Speaker and Minority Floor Leader remove Respondent from any committee assignments;

7. House Speaker and Minority Floor Leader withhold from Respondent any of the privileges of office that the Speaker or Minority Floor Leader deem appropriate;

8. Respondent not be allowed to hold any leadership position; and

9. Any other sanctions the House of Representatives deems just and proper under the circumstances.

At the Committee hearing on December 15, 2020, Respondent was given until 1 PM the following day to resign as Representative of the 100th General Assembly and resign as Representative-Elect of the 101st General Assembly. Respondent failed to meet this deadline.

This report was adopted by the Committee by a vote of 10 to 0:

GOVERNOR'S PROCLAMATION

WHEREAS, Article IV, Section 27, authorizes the Governor to control the rate at which any appropriation is expended by allotment and, further, authorizes the Governor to reduce the expenditures of the state or any of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based; and

WHEREAS, in addition to the power to control the rate of expenditure established in Article IV, Section 27, three percent of each appropriation, with the exception of amounts for personal service to pay salaries fixed by law, shall be set aside pursuant to section 33.290, RSMo, as a reserve fund and not subject to expenditure except with the approval of the Governor; and

WHEREAS, Article IV, Section 27.2, provides that the Governor notify the General Assembly "whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation"; and

WHEREAS, due to a variety of factors, including the three percent reserve that is legally required by section 33.290, RSMo, the rate at which most appropriations are expended is not in "equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation"; and

WHEREAS, Article IV, Section 27.3, provides that the Governor notify the General Assembly "when the governor reduces one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based."

NOW THEREFORE, I, Michael L. Parson, GOVERNOR OF THE STATE OF MISSOURI, pursuant to Article IV, Section 27, do hereby make the following notification to the One Hundredth General Assembly of the State of Missouri:

I hereby notify the General Assembly, pursuant to Article IV, Section 27.2 of the Missouri Constitution, that through the first quarter of fiscal year 2021, the rate of expenditure for each of the appropriation lines in the fiscal year 2021 budget attached as Exhibit A is not in equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation.

I further notify the General Assembly, pursuant to Article IV, Section 27.3 of the Missouri Constitution, that I have taken no action to permanently reduce one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based in the fiscal year 2021 budget.

HOUSE ETHICS COMPLAINT NO. 20-001

In the Matter of Representative Wiley Price

REPORT OF THE COMMITTEE ON ETHICS

WHEREON, the Committee on Ethics, of the Missouri House of Representatives, 100th General Assembly, pursuant to Rule 8 of House Committee Substitute for House Resolution 137, reports as follows:

1. On Monday, January 27, 2020, the administrative staff of the House of Representatives received a verbal report of a potential violation of House Policy B-5, which prohibits sexual harassment, and House Policy F-8, which prohibits amorous or romantic relationships between a representative and a House employee or intern. The report involved Representative Wiley Price (Respondent) and a House intern.

2. Immediately upon receiving the verbal report, the Chief Clerk of the House, pursuant to existing policy, retained outside counsel to investigate the complaint. Investigative counsel conducted an investigation of the complaint, which included interviewing the Respondent, intern, Respondent's legislator assistant (Witness 1), and another representative (Witness 2) with whom Respondent shared Witness 1 in a legislator assistant share agreement. The investigator prepared an investigative report, which was received by the House on February 12, 2020, and forwarded to the Committee on Ethics.

3. The investigative report stated that on Thursday, January 23, 2020, Respondent shared with Witness 1 that he had sex with the intern the night before, after Respondent, the intern, Witness 1, and numerous others attended a party at a local bar and grill. The report also alleged that upon learning that he would be subject to an ethics investigation in this matter, Respondent attempted to coerce Witness 1 into being untruthful with the investigator and the Committee in order to cover up the offense.

4. On February 6, 2020, the investigator interviewed Witness 1. Witness 1 provided the investigator a detailed report that was consistent with her initial report to House staff. Witness 1 stated that Respondent shared with Witness 1 that he had sex with the intern. Witness 1 stated that Respondent began harassing her upon learning that she had made the report to House staff as a mandated reporter. Witness 1 stated Respondent told her that he and the intern had agreed to lie and state nothing happened between them, and they had deleted each other's phone numbers and all text messages and calls between them from their phones. The investigator deemed Witness 1 to be credible.

5. On February 9, 2020, the investigator interviewed Witness 2. Witness 2's statements were consistent with the testimony of Witness 1. Witness 2 recalled Witness 1 receiving a phone call from Respondent at their office suite, and Witness 2 recognized Respondent's voice over the phone yelling at Witness 1. The investigator deemed Witness 2 to be credible.

6. On February 10, 2020, the investigator interviewed the intern. The intern denied any romantic or sexual relationship with Respondent. The intern denied speaking with or texting Respondent on her cell phone. The intern denied ever having Respondent's cell phone number. Although initially indicating she would provide a copy of her

cell phone records to the investigator, the intern later indicated she did not know how to obtain such records, and that any attempt to acquire such records would alert her mother to the investigation, which the intern did not want to do. The investigator deemed the credibility of the intern to be questionable.

7. On February 10, 2020, the investigator interviewed Respondent. Respondent denied any sexual relationship with the intern. Respondent denied claiming he had a sexual relationship with the intern to anyone, including Witness 1. Respondent stated although he and Witness 1 would have work related "spats" from time to time, they were nothing serious and he had no issues with Witness 1. Respondent stated that he has not called the intern on his cell phone, and that he does not have and has never had her cell phone number. Respondent indicated he would be willing to provide a copy of his cell phone records to confirm this, but stated he was not sure how to obtain the records. The investigator deemed the credibility of Respondent to be questionable.

8. On February 17, 2020, in order to prevent the possibility of further harassment or retaliation against Witness 1, the House completed moving Respondent to a different office complex within the Capitol, and assigned Witness 1 to be a full-time legislator assistant for Witness 2. Respondent offered no substitute legislator assistant, so the House assigned a different current legislator assistant for Respondent.

9. The Committee met on February 20, 2020, and, after reviewing the report from outside counsel, voted (9-0) to proceed to a preliminary hearing.

10. The Committee confirmed that the intern was a current House intern assigned to a representative not related to this matter in January 2020. The intern was invited to testify before the Committee on multiple occasions. However, through her Title IX coordinator, she declined to cooperate with the Committee's investigation. Although the Committee made multiple requests for phone records to the intern, she ultimately failed to supply any records to the Committee.

11. On February 27, 2020, Witness 1 testified before the Committee. The testimony of Witness 1 was consistent with her initial report to House staff and to the investigator. Some of the testimony of Witness 1 is as follows:

a. Witness 1 stated "The next day when he got to work, we went into his office and he closed the door and that's when he told me that he had sex with [the intern] the night before."

b. Witness 1 stated that in the past Respondent had told her on two separate occasions with whom he had previously had sex.

c. Witness 1 stated "[Respondent] told me that he had contacted [the intern] and that he had told her to delete his phone number, delete their text messages, and that she wasn't supposed to contact him anymore."

d. Witness 1 stated that Respondent said "It was consensual. There's nothing wrong with what I did. You're the one that messed up by telling [Witness 2]."

e. Witness 1 stated that Respondent urged her "to say that [Witness 2] misspoke or I misspoke and that he didn't do anything and it was all wrong. And it was my mess and I had to clean it up."

f. Witness 1 stated that Respondent said that "if I didn't back his play or back his idea that I was going to lose my job."

g. Witness 1 stated Respondent told her "where I come from, people die for doing s*** like this", referring to Witness 1 revealing the contents of her conversation with Respondent as a mandated reporter, and Witness 1 not vouching for Respondent's narrative of the events. Witness 1 stated she was afraid of Respondent after this conversation.

The Committee deemed Witness 1 to be credible.

12. On February 27, 2020, Witness 2 testified before the Committee. The testimony of Witness 2 was consistent with the testimony of Witness 1. Witness 2 recalls Witness 1 telling about Respondent and the intern, and that Witness 2 immediately recognized their duty to report as mandated reporters. Witness 2 also recalled Witness 1 receiving a phone call from Respondent at their office suite, and Witness 2 recognized Respondent's voice over the phone yelling at Witness 1 (not on speaker phone). Also, Witness 2 stated that in the past Respondent had told her on two separate occasions with whom he had previously had sex. The Committee carefully examined the testimony of Witness 1 and Witness 2 and found their accounts to be consistent. The Committee finds the testimony of Witness 2 to be credible.

13. After verifying the cellular telephone numbers for Respondent and the intern in use in January 2020, the Committee requested the Speaker issue a subpoena for phone records relating to this matter. The subpoena requested historical transaction detail for the dates of January 22, 2020 through January 27, 2020.

14. The cell phone transaction records received in response to the House subpoena contained seven phone calls and 26 text messages between Respondent and the intern. Some of these communications were initiated by Respondent and some initiated by the intern. The first call originated from Respondent on January 23, 2020 at 12:40 AM. The final communication was a phone call originated by Respondent in the evening of January 26, 2020 lasting 42 minutes. These phone records clearly indicate Respondent and the intern had each other's cell phone numbers and had communicated, which contradicts their testimony to the investigator, and part of Respondent's testimony under oath to the Committee.

15. On September 15, 2020, Respondent provided sworn testimony before the Committee. Respondent was present with counsel, and both counsel and Respondent were given an opportunity to provide a verbal statement to the Committee in addition to Respondent's testimony. Some of Respondent's testimony is as follows:

- a. Respondent denied any sexual relationship with the intern.
- b. Respondent denied claiming he had a sexual relationship with the intern.
- c. Respondent and his counsel initially denied (four times) ever calling or texting the intern. After being shown an excerpt of the phone records the Committee acquired by subpoena, Respondent then claimed he communicated with the intern to see if Witness 1 had made it home safely from a party the three of them had attended on the night in question. Respondent claimed that the part of the investigator's report that stated he said he did not have the intern's cell phone number was false.
- d. Respondent testified he switched cell phones and is not certain of the location of the phone he was using in January 2020. Respondent stated he would search for the original phone in his home and provide it to the Committee.
- e. Respondent claimed that a week before the alleged sexual encounter with the intern he had given notice to Witness 1 that she was going to be fired within 30 days. This contradicts the testimony of Witness 1 and the investigator's report in which he said he had no serious issues with Witness 1. Respondent claimed Witness 1 fabricated the story of Respondent and the intern as retaliation. When asked, Respondent said he had not told Witness 2 (with whom he shared in a legislator assistant share agreement with Witness 1) that he had given notice to Witness 1; he had not told House administration that he had given notice to Witness 1; and had not documented his issues with Witness 1 or that she had been given notice. Respondent testified that he had arranged for a friend of his from his district to replace Witness 1, but could not recall his name and did not mention him to House administration when they separated Respondent from Witness 1. Respondent testified that the ex-boyfriend of Witness 1 (Witness 3) was aware that Witness 1 was being fired and "came into my office to save his ex-girlfriend's job." On September 22, 2020, Witness 3 testified before the committee that he was unaware that Witness 1 was to be fired, and that he never spoke to Respondent to save Witness 1's job. The Committee deemed the testimony of Witness 3 to be credible.

Ultimately, Respondent also failed to supply the original cell phone or any phone records that would corroborate his version of the events in response to requests from the Committee. The Committee deemed Respondent to be not credible.

16. At the conclusion of Respondent's testimony, held in closed session before the Committee, a cell phone was discovered on the witness stand that was recording audio. The witness stand had just been vacated by Respondent and his counsel, who had both left the room. The phone had been recording Respondent's testimony, and would have continued recording the Committee's private deliberations. The phone was determined to belong to counsel for the Respondent, who stated he was recording the testimony of Respondent before the Committee. Counsel was not given permission to make a recording, and was in direct violation of House rules providing for the confidentiality of the Committee proceedings. The phone was returned to counsel after the audio file was deleted from the device and counsel stipulated that he would not take any steps to recover or otherwise attempt to use the audio file.

17. House records confirm that Respondent attended the mandatory Preventing Sexual Harassment training with all House members on January 14, 2020, and on March 11, 2019.

18. The Committee finds, based upon the testimony and evidence received by the Committee, that:

a. Respondent misled the House investigator by denying that he had claimed an inappropriate relationship existed between him and the intern to Witness 1 and denied that he had engaged in any cell phone communications whatsoever with the intern;

b. Respondent committed perjury before the Committee on Ethics by denying that he had claimed an inappropriate relationship existed between him and the intern to Witness 1 and denying that he had engaged in any cell phone communications whatsoever with the intern;

c. Respondent intimidated and threatened his legislator assistant in retaliation for performing her duties as a mandated reporter;

d. Respondent obstructed this Committee's investigation by misleading the Committee investigator with regard to his attempts to coerce Witness 1 into changing her testimony;

e. Respondent obstructed this Committee's investigation by committing perjury before the Committee by denying his attempts to coerce Witness 1 into changing her testimony; and

f. Respondent's conduct has compromised the ability of the House to provide a respectful, professional work environment.

19. The Committee finds that Respondent's actions involving both the intern and his legislator assistant, and his conduct before this Committee during its investigation, to constitute ethical misconduct and conduct unbecoming of a state legislator of sufficient severity to warrant censure.

NOW THEREFORE, the Committee on Ethics, having given full consideration to this complaint concludes that the issuance of this report is warranted, and recommends that the House of Representatives consider the following sanctions against the Respondent:

1. Censure by the 100th General Assembly, pursuant to Article III, Section 18, of the Constitution of Missouri;

2. Censure by the 101st General Assembly, pursuant to Article III, Section 18, of the Constitution of Missouri;

3. Payment of \$22,492.25 to the House of Representatives in costs related to the investigation of this complaint; and

Until the House considers a resolution to censure, the following actions should immediately be taken:

4. Respondent shall conduct himself in a manner that respects the commitment of the House to provide a work environment free of sexual harassment to all members, employees, and interns;

5. Respondent shall have no service from or supervision over any intern for the remainder of his membership in the House. Any legislative employee assigned to Respondent for the remainder of his membership in the House shall be under the direct supervision of the Chief Clerk, who should monitor the Respondent's contact with House employees as appropriate;

6. House Speaker and Minority Floor Leader remove Respondent from any committee assignments;

7. House Speaker and Minority Floor Leader withhold from Respondent any of the privileges of office that the Speaker or Minority Floor Leader deem appropriate;

8. Respondent not be allowed to hold any leadership position; and

9. Any other sanctions the House of Representatives deems just and proper under the circumstances.

At the Committee hearing on December 15, 2020, Respondent was given until 1 PM the following day to resign as Representative of the 100th General Assembly and resign as Representative-Elect of the 101st General Assembly. Respondent failed to meet this deadline.

This report was adopted by the Committee by a vote of 10 to 0:

Any bill so reported shall automatically be referred to the Committee on Consent and House Procedure. Any bill reported by the Committee on Consent and House Procedure with the recommendation that it be placed on the House Consent Calendar for Perfection may be placed on that calendar if the Speaker concurs with the recommendation. It shall not be in order to offer a substitute amendment to an amendment to an amendment. When an amendment is offered, a substitute for that amendment is offered, and an amendment to the substitute is offered, it shall not be in order to offer a substitute for the amendment to the substitute. Any proposed amendment in the third degree shall be out of order. Any motion to adopt an amendment may be withdrawn by the sponsor before decision thereon. Once a bill has been amended, it shall be in the possession of the House. If a proposed amendment has been defeated, the same amendment shall not be proposed again. Any amendment that increases the amount of general revenue or general revenue equivalent appropriated in the House appropriations bills shall be required to be submitted with a separate amendment that makes an equal reduction in general revenue or general revenue equivalent in the same bill or any other of the bills still pending. If the reduction is in another bill, the decreasing amendment shall be taken up first, and the increasing amendment may be taken up only if the decreasing amendment is adopted. When a pair of amendments is submitted, the decreasing amendment shall be required to clearly identify the corresponding increasing amendment.

(b) If a member's decreasing amendment is adopted and the same member's increasing amendment is defeated, the decreasing amendment's adoption is void.

(c) The offering and adoption of an amendment decreasing the amount of general revenue or general revenue equivalent appropriated without a balancing increase creates no right of another member to offer an increasing amendment in any amount up to the amount of the decrease effected by the decreasing amendment, and no member may be recognized for the purpose of making such an amendment.

(d) For the perfection of the House appropriations bills of the state budget only, it shall be permissible to amend any line item as often as the House pleases, as long as prior adopted amendments to the line item are taken into account.

Order of Amendments

Rule 51. When amendments to any bill, motion, or proposition are pending, they shall be voted on in the following order:

(1) Amendments to the amendment are disposed of before the substitute is taken up. Only one amendment to the amendment is in order at one time; but as rapidly as one is disposed of by rejection or incorporation as a part of the amendment, another is in order as long as any member desires to offer one.

Senate Bills Reported "Do Not Pass"

Rule [67] 66. If a Senate Bill is reported from the committee to which it was referred with the recommendation that it "Do Not Pass" it shall not go upon the calendar of the House for third reading and final passage, unless so ordered by a constitutional majority of the House. In such case, the motion to place the bill on the calendar shall be made within three legislative days of the report and by a member who has been requested by the Senate sponsor of the bill. It may be moved like any other question but it shall only prevail when supported by a constitutional majority and until decided shall preclude amendments and debate. If the motion is sustained, the proponent of the matter under consideration shall be allowed one minute in which to make a closing statement before the House votes on the question. Rule [84] 83. A constitutional majority is required to sustain any motion to reconsider. If the motion to reconsider is sustained, the House shall proceed to the original question or motion immediately before proceeding to other

questions; whereupon the original question shall be voted upon before any other business of the House is transacted. This shall not preclude further debate or amendment of the proposition, if otherwise appropriate. ONE HUNDRED FIRST GENERAL ASSEMBLY
of the
STATE OF MISSOURI

FIRST REGULAR SESSION
FIRST EXTRAORDINARY SESSION

FIRST DAY, MONDAY, JUNE 28, 2021

Speaker Vescovo in the Chair.

There was a moment of silent prayer.

The Pledge of Allegiance to the flag was recited.

MESSAGES FROM THE GOVERNOR

The following proclamation was received from His Excellency, Governor Michael L. Parson.

PROCLAMATION

WHEREAS, on May 30, 2021, the General Assembly adjourned pursuant to Article III, Section 20(a) of the Missouri Constitution; and

WHEREAS, Sections 190.800 to 190.839 RSMo authorize the ground ambulance service reimbursement allowance; and

WHEREAS, Sections 198.401 to 198.439 RSMo authorize the nursing facility reimbursement allowance; and

WHEREAS, Sections 208.431 to 208.437 RSMo authorize the Medicaid managed care organization reimbursement allowance; and

WHEREAS, Sections 408.453 to 408.482 RSMo authorize the federal reimbursement allowance (“FRA”); and

WHEREAS, Sections 338.500 to 338.550 RSMo authorize the pharmacy tax; and

WHEREAS, Section 633.401 RSMo authorize the intermediate care facility for the intellectually disabled assessment; and

WHEREAS, such reimbursement allowances, taxes, and assessments are set to expire on September 30, 2021; and

WHEREAS, the General Assembly adjourned without extending the expiration date of such allowances, taxes, and assessments; and

WHEREAS, the calculation of state revenues for the Fiscal Year 2022 state operating budget included the provision of such allowances, taxes, and assessments to fund primary components of the MO HealthNet program; and

WHEREAS, the expiration of such allowances, taxes, and assessments will cost the State of Missouri approximately \$591 million dollars in fiscal year 2022 and approximately \$788 million dollars in fiscal year 2023; and

WHEREAS, the expiration of such allowances, taxes, and assessments will also result in reduced payments from the MO HealthNet program to healthcare providers in the amount of \$1.53 billion dollars in fiscal year 2022 and \$2 billion dollars in fiscal year 2023; and

WHEREAS, the expiration of such allowances, taxes, and assessments would also require the State of Missouri to institute immediate cost-savings measures, including rate decreases, elimination of non-mandatory MO HealthNet programs, and would result in additional fee schedule changes that would be detrimental to the citizens of the State of Missouri, and our healthcare providers; and

WHEREAS, these costs will significantly interfere with the provision of healthcare to Missourians and could cause disruptions in our state healthcare system.

NOW THEREFORE, on the extraordinary occasion that exists in the State of Missouri:

I, MICHAEL L. PARSON, GOVERNOR OF THE STATE OF MISSOURI, pursuant to the authority vested in me as Governor by the Constitution of the State of Missouri, do, by this Proclamation, convene the One Hundred and First General Assembly of the State of Missouri in the First Extra Session of the First Regular Session; and

I HEREBY call upon the Senators and Representatives of said General Assembly to meet in the State Capitol in the City of Jefferson at the hour of 12:00 p.m. on Wednesday, June 23rd, 2021; and

I HEREBY state that the action of said General Assembly is deemed necessary concerning each matter specifically designated and limited hereinafter as follows:

JOURNAL OF THE HOUSE

FIRST EXTRAORDINARY SESSION OF THE FIRST REGULAR SESSION
101st GENERAL ASSEMBLY

SECOND DAY, TUESDAY, JUNE 29, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Blessed are they that mourn: for they shall be comforted. (Matthew 5:4)

O Eternal God of our hearts, who is the light of the minds that know You, the life of the souls that hear You, and the strength of the hearts that love You, may we come to serve and love You better, with all our being, in the People's House during this Missouri's Bicentennial year.

We face stressful situations that are beyond our power to meet adequately; we have responsibilities that are more than we can manage acceptably; we are confronted by duties that are greater than our ability to master competently, so we pray for the great power of Your presence in our lives. Even in confusion may we feel the comfort of Your Holy Spirit. Lead, Kindly Light, lead You on us that with clean hearts, clear minds, and courageous spirits we may bring forth the day when humility shall reign and charity will rule the hearts of all Missourians. So may Your kingdom come and Your will be done on earth.

And the House says, "Amen!"

JOURNAL OF THE HOUSE

FIRST EXTRAORDINARY SESSION OF THE FIRST REGULAR SESSION
101st GENERAL ASSEMBLY

THIRD DAY, WEDNESDAY, JUNE 30, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Blessed are the poor in spirit: for theirs is the kingdom of heaven. (Matthew 5:3)

O God, the Creator and Sustainer of all people, the strength of those who labor, and the guide of all who put their trust in You, in reverence we bow before You this moment in this House chamber. You are ever with us, and we pray that we may always be aware of Your presence and keep our lives open to the power of Your word.

By Your spirit may we become conscious of our own stress and shortcomings, our own limitations and liabilities. May we not mistake error for principle nor conceit for confidence, but in all humility depend upon You alone for guidance and grace for daily living in our Missouri.

Cleanse our hearts of any pettiness or narrowness, and create in us a new spirit, a new faith in You, a new joy in living, a new courage for life, and a new enthusiasm for political cooperation for our people.

And the House says, "Amen!"
